CURING THE FILLER

THE Pharaoh filler I select in Manicagua-- Province of Santa Clara, Cuba, is generally harvested in February.

The plants are cut down at daybreak-- allowed to remain until eleven o'clock in the morning-- until they are properly wilted--then taken to curing houses for drying.

After they are thoroughly dried they are allowed to become moist through atmospheric humidity and then made into "hands."

After allowing it to age for three full years, in order to develop its superb fragrance and aroma, I make it up into "Pharaoh."

That's why there is a taste and odor of genuine tobacco in my Pharaoh Cigar.

LABOR LAW INVOKED.

W. T. Chestnut Charged in Courts With Inducing Men to Leave Oldtown Canoe Factory to Work Here.

An exceptionally rare kind of a case in this country came up in the county court chambers at St. John yesterday afternoon before Judge Forbes.

The prosecution alleges that the defendant induced an alien, E. Ayer, to leave Oldtown, making a contract with him, and to immigrate to Canada under the contract.

THE AUTONOMY DEBATE.

Pringle of Cornwall, Ont., the Principal Speaker Yesterday.

OTTAWA, April 11.--R. A. Pringle (Conservative), of Cornwall, resumed the debate on the autonomy bill today.

Mr. Pringle said that he represented a constituency which was largely Protestant, but he was not here to represent Protestants and Catholics but to do what was right.

Mr. Pringle then assented on to the opinions of Dalton McCarthy and Sir John Thompson on the school question and then took up the ordinance of the Northwest Territories, claiming that the schools were controlled by the government.

Red Rose Tea

Because it is Reliable.

Some one has said: "A single fact is worth a ship-load of argument."

A few facts: I introduced this tea to the public about ten years ago. In that short time the business has grown to such proportions that we now occupy the largest Tea warehouse in Canada.

This enormous business has been built up without extensive advertising.

The merchants who commenced handling Red Rose Tea ten years ago are the most enthusiastic in its praises to-day.

The merchants who sell it, the people who drink it, have found that it could be relied on.

The brand, "Red Rose Tea," is accepted everywhere as a guarantee of the highest quality, and those who drink it are its best advertisers.

Ask some of your friends about it.

WHY THAT WEARINESS?

The Cause of Your Uneasy, Restless Feeling

Is Spring Fever Thousands Have It.

All winter long you worked hard. This took lots of nerve force. It lasted so far but now it's all gone and you feel weak.

Somehow you must get new vitality and more nerve force. The water in your blood must be turned into strength and building material.

Your appetite must be braced up. Some new power must be imparted to your weak body.

This is just what happens in using Perrozone, which is an important blood maker, blood enricher and nerve builder.

Perrozone not only creates keen appetite. It goes further, improves digestion and assimilates every particle of food is converted into nerve and muscle fibre.

By building up new nerve force and making every organ do its part, the nature expects of it, Perrozone quickly increases your weight and instils a reserve of vigor into the system that defies weariness, exhaustion, spring debility or sickness of any kind.

To prove the enormous strengthening power of Perrozone we quote the following letter from Mrs. Edward Hill, written on March 24th from her home in Opp Lake, Ont.

"Two years ago I had a nervous breakdown. At night I tossed restlessly in bed, unable to get any comfort or rest from sleep. In the morning I suffered from overpowering weakness that almost killed my hope of getting well. My appetite was poor, I grew pale and thin and a despondent feeling possessed my mind continually. A slight hacking cough also added to my burden."

"My doctor said I might try Perrozone and it did me good in a few days. I increased in strength, the nervous sensations disappeared and with my appetite came back my color and good spirits. I have gained over ten pounds in weight and considering my age is 58, I consider Perrozone a marvel."

(Signed) Mrs. Edward Hill.

Remember this, Perrozone is a true tonic, not an alcoholic stimulant. Fifty chocolate coated tablets in a box for fifty cents or six boxes for \$2.50 at all dealers or N. C. Polson & Co., Hartford, Conn., U. S. A., and Kingston, Ont.

TERRIBLE BACK PAINS

They fairly agonize your life. Something powerful and penetrating is needed. Doctors know of nothing so swift to relieve as Nerviline, a strong, penetrating liniment made to cure just such pains as yours. Nerviline is very concentrated, about four times more powerful than ordinary liniments. In the worst cases Polson's Nerviline is extraordinarily good. All muscular pain flees before it. Near fifty years in use--a good recommendation, surely.

CHATHAM SMALLPOX.

CHATHAM, N. B., April 11--The smallpox outlook is encouraging. There are no new cases and it is thought that the schools will reopen on Monday.
