A GREAT CURE OF LIVER COMPLAINT AND DYSPEPSIA IN CANADA.

Cobourg, Prince Edward Co., C. W., March, 1867.

MESSRS. YOUNG & CHAMBERLAIN.—Sirs, having provided within my own person that there is at last a medicine that will indeed cure liver complaint and Dyspepsia, I am induced to make this statement under oath, which is to certify that I have been sorely afflicted for the last three years, according to the Doctors' statements with Liver Complaint and Dyspepsia. I had a feeling of sinking and vague uneasiness about the stomach, worse than pain, eructations of wind, occasional pain, drowsiness, constipation, uneasiness in the right side, headache, a poor appetite, &c., &c., and was greatly reduced in strength. Hearing your new Indian medicine the Great Shoshonees Remedy spoken of so highly, I tried a bottle with your Pills, from these I must say I found but little change, but I took another and then found my health improving. I continued until I had taken about ten bottles, using the pills, and find that I have entirely recovered. I eat hearty, do hard work or exercise. I feel well and have gained in flesh, attending to my business. The doctor reported to me I was looking much better. It is from the Great Shoshonees Remedy was doing it. I have recommended the Remedy in several cases and it has invariably given good satisfaction, and I would strongly recommend it to all afflicted as I was.

STOP AND SEE.

THE following remarks on Testimonials of most wonderful and extraordinary cures in Canada by the GREAT INDIAN REMEDY. They are stern, undeniable and incontrovertible facts, sufficient to convince the most skeptical that the Great Medicinal Compound of Sagamite Indian Herbs and Roots, discovered, prepared and for ages is now accessible in the Great

SHOSHONEES REMEDY

For Diseases of the Throat, Lungs, Liver, Digestive Organs, Kidneys, &c., as well as Scrofula, the various Skin Diseases, Humors, and all diseases arising from Impurities of the Blood, we boldly state that this great remedy has NEVER BEEN EQUALLED. Where has there ever such a case as that of the person of Wilson Stone of Brighton, C. W., of Consumption or that of Peter C. V. Miller, Farmington, C. W., of Consumption, or that of Ambrose Wood, of Comercon, C.W., of Dyspepsia and Liver Complaint, or that of John Hosey, of Nagiare, C. W. of Rheumatism, who had actually been on crutches for years, in spite of all these most heretofore, and is now well. Scores of such cases might be mentioned and are known.

Call at the Drug Store and get a Circular or Pamphlet containing an the GREAT INDIAN HONKES REMEDY and PILLS, and satisfy your selves.
