E. Foster has been absent bearing quartz etc., \$7,388,350; rom the House for nearly a fortnight. \$4,048,465 He is confined to his bed. His illness,

however, is not serious, and he is expected to be around again in a few algia in his head and neck, but gen erally his system is run down. Follows Naval Bill.

An arrangement has been arrived a between Sir Wilfrid Laurier and H H. Miller, whereby the Commons will be given an opportunity to discuss the anti-gambling bill as soon as the naval bill has been put through committee of the whole house. This probably means that the fight over the bill in the House will commence just before soon after the Easter adjournment. It is doubtful if any lengthy recom nendations will be made to the House either by supporters or opponents of the bill in committee. In the House however, opponents of the measure amendments with the oblect of allowing bookmaking, but limting the length of track meeting,

Mr. Miller is quite optimistic as to House, 'He said if the House adbill by a good majority the will it seriously alter its provisions. Tuesday's Session. Bulletin Special Ottawa, Ont., Mar. 15.-The tenor

Spring Tonic for Run Down People ized Labor in Philadelphia to Join With the Strikers or Else be Ostracised from Union Labor.

> Are you feeling tired, weary, miserable and run down? Is it hard for you to get up in the morning feeling rested and refreshed? The winter months have tried you sorely and robbed you of more vitality than your system has been able to replenish. Your blood is sluggish and must be purified and revived. You are in need of PSYCHINE, the Greatest of all Spring Tonics, and Blood Purifier. It clears the system of all traces of winter colds. Banishes that tired, weary feeling. Restores your appetite and brings youthfulness, vigor and health to you again. Take PSYCHINE to-day. For sale by all druggists and dealers. 50c. and \$1.

Here Is Power You Can Depend On

> TEEP ahead of your work and get things done more rapidly, easily and at less cost by using an I H C gasoline engine. Until you install one of these engines you are not getting all the profit you deserve from your farming operations. It solves the "help" problem. It is the most economical worker on the farm. At any hour of any day or night it is ready to operate the cream separator, the pump, the prinder, the saw, fanning mill, sheller, huller, grindstone, washin machine, lighting system—any one of many such jobs. Thousands of rmers have come to depend on this most reliable of helpers, an

H C Gasoline Engine Made in Different Styles and Sizes to Sait Every Man's Need's

The I H C line of engines is the most popular on the farm be cause they are so simple in construction. No previous experience is ded to operate them with complete success. Besides, they developed the greatest power possible from every gallon of gasoline. Equip a power house at low cost. It will be the biggest paying investment you ever made. Or get a portable engine mounted

A pumping engine will solve the wind and water problem; a sprayi outfit will enable you to protect your fruit from disease, worms and blight a sawing outfit will lighten your labor, and a plowing outfit will save your time and horses. Get one, and learn its labor-saving qualities. There are many styles and sizes, from 1 to 25-horse power—an engine for every section and every problem. Vertical and horizontal (both stationary and portable.) Also gasoline tractors—first-orize-gold-medal winners—the best all- round farm tractors. Call and take up the matter with our local agent in your town, or
