

WALKED IN TO TOWN TO GET MORE TANLAC

Olsen Says He Could Not Walk at All Without His Crutches Up to a Few Weeks Ago.

"I have walked all the way to town to get another bottle of Tanlac, and I'm just feeling fine, and yet when I started on the medicine a few weeks ago, I couldn't get around without the help of crutches," declared John Olsen, sailor, aboard the s.s. Thomas E. Drummond, sailing from St. John, New Brunswick.

"It's about two years since the rheumatism first began to trouble me in the knees, but about last September it got so bad that I couldn't put my foot to the ground, and the pain was something awful. At nights I used to lie in my bunk in perfect agony, unable to sleep, and this so told on my nerves that I used to tremble like a leaf. I lost all desire for food and got very thin and weak, and finally had to give up my job and go to Halifax for special treatment. But in spite of everything I tried I seemed to get worse instead of better. I saw several statements in the papers about people getting wonderful relief from troubles like mine by taking Tanlac and so, every evening, I gave it a trial, thinking to myself that at least it would do me no harm. The first few bottles gave me a good appetite and my food seemed to be doing me good, so I kept right on with it and gradually it seemed to drive the rheumatism out of my system. The pains in my knees began to ease off, and soon I was able to lay my crutches aside and get around with the aid of a stick. Then after a bit I was able to do away with the stick also, and I can now get about without any help whatever and feel almost like a boy again. All signs of nervousness have left me and I can sweep the clock round. Many of my friends say they hardly know me for the same man that I was a few months ago, because I look so much better in every way."

I certainly am feeling in fine shape once again, and am only too glad to tell others about the wonderful medicine which has done me so much good."

Tanlac is sold in St. John's by M. Connors; by Reg. Sullivan, Pouch Cove; Sound Island Store, Sound Island; Dennis Flynn, Avondale; J. J. O'Brien, Cape Broyle.—adv.

"Pat" Burns' View of It.

CALGARY.—"From present indications there is no need to worry about the 1920 crops. We are natural optimists out here, but I think we are justified in looking for a much better crop than we have had during the past three years." This is the view of Pat. Burns, Western Canada's wheat king. "June will tell us accurately what we may expect. If we have a fair amount of rainfall during June, everybody can make up their minds that business will be mighty active in the West this fall. And even if the rainfall is not all that it should be, the wheat has gotten off to such a good start it should give us a fair crop even under the worst circumstances," he told The Financial Post.

MARRIAGE ANNOUNCEMENT.

At the residence of her sister, Mrs. T. A. Bennett, LeMarchant Road, on June 23rd, D.V., there will be solemnized the marriage of Edie L. Dyett to Rev. Charles Adey, of the Nfld. Methodist Conference. Their future home will be at East Angus, P.Q., of which circuit he has been invited to officiate as their pastor under the Dominion of Canada Conference. We wish them a happy and successful future and a pleasant voyage to their new station at East Angus, P.Q.

Legislative Council.

Tuesday, June 15.

The House met at 4.30 p.m. The Exportation of Salt Codfish Bill was again debated in committee. Hon. John Anderson spoke favorably for the bill, saying as it was the sequence of the other fishery bills, he would give it his support. He admitted that there were some hardships in the measure, and that the fears expressed about the Board not letting the trade in on any information they may have, were groundless.

Hon. Mr. Grieve said he had worked for nine months on a somewhat similar Board comprised of all exporters and the duties attached were very onerous. He thought that the Board as now proposed would be required to give their whole attention to the work of disposal of our total catch of fish, 1,000,000 quintals. He reiterated his opposition to the bill and said, "We are gambling with a big stake," and thought that the country would suffer serious injury by its passage.

Sir P. T. McGrath suggested amendments to three or four sections, and asked that the bill be sent to a Select Committee. A Select Committee consisting of Hons. Winter, Gibbs, Shea, McGrath, Grieve and Bishop was appointed and will sit on Thursday at 3 p.m.

An Act respecting the Preservation of Beaver and an Act concerning former Enemy Aliens passed committee without comment.

The Bill relating to Cutting Hardwood was read a second time, and explained by Hon. Dr. Campbell. It will be referred to committee's next sitting.

The Prosecution of the Sealfishery Bill and the Pilots' Bill were read a second time.

Maintenance of Certain Public Roads, Commemoration Day, Local Affairs and Protection of Animals Bills were read a first time.

The House adjourned at 5.30 to meet again Thursday at 4 p.m.

The Empire Memorial Hostel.

35 Grosvenor Square, W.I., May 26th, 1920.
WANTED — A MILLION HALF CROWNS.

Editor Evening Telegram.

Dear Sir.—We want to endow this Hostel, the need for which is very urgent and very pressing, and the site for which is already acquired. It is a terrible reflection for us, who owe our very lives to the sacrifices of our Merchant Seamen, that when they come into the Port of London, hundreds of them are unable to find a decent bed, a decent meal, and decent recreation, which is all they ask for. All the existing Hostels are crowded out and are turning hundreds of men away every night, and the result is they are driven to the haunts of vice which abound in the district—which exist indeed to prey on these men, or else they can only walk the streets. And these are the men who saved the Empire.

We cannot all give large sums, but most people can afford 2/6, and we want to get a million-half crowns in order that the Memorial Hostel may be opened as soon as possible. There can be no delay in paying the debt that every person in this Empire owes to these men.

Yours truly,
(Sgd. SOMERSET.)

So many people use Coconut Oil Shampoo, and speak highly of it that we can recommend it with the utmost confidence to those who do not yet use it. Price 40c. a bottle. D.D.D. is still in great demand for Eczema, for which it is claimed as a specific. Two sizes 50c. and \$1.30. D.D.D. Soap, 35c. a cake.

House of Assembly.

The House met at 3.30 p.m. yesterday.

A petition in favor of modification of the Prohibition Act from residents of Port-de-Grave, was presented by Mr. Bennett in the absence of Sir J. C. Crosbie.

Mr. Brownrigg introduced Supply, pointing out that the figures covering expenditure were large.

On motion of Sir M. P. Cashin, consideration of the Estimates was deferred till to-morrow.

In answer to the question of Sir M. P. Cashin, Mr. Squires stated no arrangements had yet been made between the Reid Nfd. Co. and the Government as to reconstruction of the railway. He did not expect legislation re the same would be brought down this session.

The question of Mr. Walsh as to whether the steamer "Carmen" had been bought or chartered by the Government, was answered by Mr. Squires to the effect that she had been chartered for \$60.00 per day, the owners to pay the insurance, but the Government to pay cost of fuel and all other expenses. She was intended for the Protection Service, which she will take up after running on the mail service in Bonavista Bay, at which she is now engaged.

Mr. Warren, replying to the question of Sir M. P. Cashin, stated His Excellency the Governor would be leaving here in about a week to officiate at the laying of the corner stone of a War Heroes' Memorial at Grand Falls, and before leaving would appoint a commission to enquire into the Woodford Affidavit. As to the taking of action in this matter, which is desirable in the interest of admin-

These Features in This Phonograph

are what make the Columbia Grafonola the one incomparable instrument for the reproduction of music

The upright tone leaves give the Columbia Grafonola an abnormally flexible, exclusive system of tone control.

The scientifically correct construction of the Columbia Grafonola gives it exquisite clearness and purity of tone.

The artistically correct design of their cabinets makes all Columbia Grafonolas harmonize with any furniture.

The individual record ejector facilitating the handling of records is a feature found in Columbia Grafonolas exclusively.

THE Columbia Grafonola is in a class by itself. Tone is, after all, the test of any phonograph, and tone is a test for the ear alone. It cannot be argued in type. Come in and hear the Columbia tone. Your own ears will quickly tell you that its quality is unequalled.

MUTT AND JEFF.

MUTT HANDS OUT SOME ADVICE AND JEFF HEEDS IT.

By Bud Fisher.

JEFF, I DON'T WANT TO GET PERSONAL BUT HAVE YOU GOT ANY MONEY LAID AWAY?

I'VE GOT ONE HUNDRED BUCKS ON DEPOSIT IN A BANK, MUTT! I'VE HAD IT THERE FOR FIVE YEARS! I'M GONNA BE FIXED IN MY OLD AGE!

I WAS READING TO-DAY THAT OUR DOLLAR IS REALLY WORTH ONLY 43 CENTS NOW! SO YOU SEE THE PURCHASING POWER OF YOUR ONE HUNDRED BUCKS IS ONLY FORTY THREE DOLLARS.

IF YOUR ONE HUNDRED BUCKS SHRINKS IN VALUE IN THE NEXT FIVE YEARS AS MUCH AS IT HAS IN THE PAST FIVE YEARS YOU'LL OWE YOURSELF FOURTEEN DOLLARS. I FEEL SORRY FOR YOU, OLD DEAR.

LISTEN! I WANT TO DRAW OUT MY HUNDRED DOLLARS RIGHT AWAY!

MUTT, WE'LL SPEND THE WHOLE ROLL TO-NIGHT! I AIN'T GONNA LET IT SHRINK IN PURCHASING POWER ANOTHER CENT!

YOU'RE SHOWING RARE JUDGMENT, OLD THING!
