will see the close of the

Daylight Saving Scheme for 1921.

MR. HOUSEHOLDER.—Will you be found ready with the next best lighting system in your home—
ELECTRIC LIGHT?

Or will it find you still clinging to the old-fashioned, inconvenient, expensive method?

If the latter, we suggest this month as the most convenient to make the change, and once made it will surprise you by its convenience and cleanliness, also by the reasonable cost of installing and monthly charges.

Write, phone or call for full particulars.

St. John's Light and Power Co.,
Angel Building.

Fashions in Furniture.

Furniture fashions vary almost every season, there is always some newly-designed chair or lounge coming into vogue.

The present trend is toward upholstered Furniture, a splendid selection of which we are now showing. Here—huge Cosy Chairs, Chesterfields and Lounges, over-stuffed and beautifully upholstered in Silk, Tapestry, Damask, etc.—gladden the eye, and there is no lack of smaller upholstered articles.
