**ASTOUNDING, CONFOUNDING, BUT TRUE.**  
ANOTHER WONDERFUL  
**Cure of Consumption!**

BY THE  
**GREAT SHOSHONEES REMEDY,**  
IN CANADA.

Messrs. Young & Chamberlain:  
GENTLEMEN, - I, Wilson Storms, of Brighton, C. W., make oath and say: I feel anxious to let you know what the Great Shoshonees Remedy has effected for me. My wife was afflicted with Consumption and died; I was also afflicted with the same disease, and after her death I continued to live just as usual. I had very severe Night Sweats; coughed nearly all night, and every night could not sleep a quiet moment. In the morning I raised over a quart of matter every day; had severe pain in the left lung, &c., &c., and was greatly debilitated. In fact, I was going as fast as I could towards the grave. I had a regular physician, but it did not even relieve my cough. I went to the village one day, about a quarter of eight o'clock, and saw something to relieve my cough. He said, "There is a Great Indian Remedy just introduced; Dr. Baker has it for sale, and I believe it will cure you." I took his advice, and brought a bottle home with me, took a teaspoonful at once, which I felt through my whole system. At night I took a spoonful and rested well all night, and continued to rest well every night. The cough, night sweat, raising matter, &c., gradually subsided, and finally left me, and I got hearty and strong. I took only three bottles. I am not taking it now, and I am as hearty and well as ever. I was in my life. My sister-in-law was with me for a while, who was afflicted with the Liver Complaint. She has taken the remedy and is well. This certificate may show to the world if you please.

**Private Diseases.**  
It is well known that this branch of the medical profession has been much neglected, from the fact that it is most represented by quacks, who invariably practice under a assumed name. The many ill arising from Secret Habits in both Sexes permanently eradicated.

Located in 46 of the largest cities of the States and Canada, under the management of J. D. ODELL, Principal.

A SCHOLARSHIP is issued from this College is good for an unlimited time, and entitles the holder to the advantage of instruction and influence in obtaining situations. Each College derives special benefit from all others, in the combined experience of numerous teachers, the collection of manuscripts and the publication of text books, beyond the ordinary means of any single school. We have the best system of Penmanship known to the public, taught by experienced, first-class Penmen, for which we were awarded First Premiums in all departments at the late Provincial Fair. Regular class instructions in Arithmetic, Commercial Law, Penmanship, Book-keeping, English Grammar, Correspondence, Composition, &c., &c., with ample black-board explanations, and special lectures to suit individual cases. Actual business is here introduced by the use of Banks, and other offices, as in business houses. The practical method of giving instruction in this institution is the most important feature. Students count their thousands of dollars, buy and sell merchandise, real estate, stocks, &c., with as much interest as our first merchants, thus converting the school-room into a banking house and a corn exchange, by introducing the actualities of business, as well as the abstract theory of Book-keeping. For further information please call at the College, or send for a College Monthly, enclosing letter stamp.
