

LOSSES AT THE BOSTON FIRE.—As usual in such extraordinary cases, the fire reports of the losses at Boston prove to have been greatly exaggerated. The total losses will not exceed one hundred millions, and may fall as low as seventy-five millions. Of this sum the insurance companies of New York city and State will have to pay nearly fifteen millions, and the English insurance companies about as much more. The rest falls upon the Boston and Eastern companies, and some few Philadelphia and Western companies.

NEW EPIDEMIC OF A FATAL CHARACTER.—Mr. Bergh, of New York, says the present condition of the horses is a natural result of their cruel treatment during their recent sickness. A new disease has appeared in every large stable in the city, and fatal cases have been reported. Mr. Bergh says the prevailing dropsy among horses is due to their being overworked while sick. Several car-loads in Brooklyn have suddenly dropped dead, and a post mortem examination has developed the fact that their lungs were completely eaten away. Nearly a dozen died in Brooklyn on Wednesday.

DISASTERS IN PRUSSIA.—London, Nov. 14.—The gale of last night was exceedingly severe on the Prussian coast. At Stralsund its effects were most disastrous. Twelve vessels sunk in the harbour. The town was inundated, and in the height of the storm a fire broke out among the warehouses, which spread rapidly. Several lives are reported lost, and many persons have been injured. The inundation extended along the entire coast. Details of the storm and the disasters are not yet to hand, but the damage done on sea and shore must have been immense.

A LIBERAL ACT.—The Gananque Reporter says:—Mr. George Morton intends presenting a thorough-bred Ayrshire Bull to each municipality in the South Riding of Leeds. The distribution will take place at the village of Morton, on Tuesday, 19th inst., when the animals will be numbered, and corresponding numbers placed in a hat; the representatives of each municipality to draw from the hat, and take the animal designated by the number drawn. After the drawing, a number of superior cows, bulls, horses and pigs will be sold by auction.

SEVERE GALE AND FATAL SHIPWRECKS.—London, Nov. 14.—The heavy gale which prevailed on the British coast yesterday was very destructive to life and shipping, and reports of many vessels wrecked, including the barges *Jorge* and *Hawatha*, have already been received. Fifty lives are known to have been lost, and it is feared this number will be increased by reports of additional disasters.

FROM PENNSYLVANIA.—Lancaster, Pa., July 31, 1871. Mr. James I. Fellows—Sir: I am pleased to inform you that my health is improving under the use of your Hypophosphites. Excessive tax of the brain had so exhausted my body that I could neither work nor enjoy myself, and it was with difficulty that I could sleep at all. I tried rest, active exercise, various medicinal remedies, and the most popular physicians, and accidentally heard of your syrup in New York. I purchased three bottles at Caswell & Hazard's, and until I used that nothing relieved me. Now I can eat well, sleep well, work well and feel well, and have good reason to consider your syrup a most surprising and capital restorer of the mind and nervous system, and advise all who have much brain work to take it. You are at liberty to use this as you may. Yours very truly, JEROME SHERN, Insurance Agent. Thousands have been changed by the use of Peruvian Syrup (a protoxide of Iron) from weak, sickly, suffering creatures to strong, healthy, and happy men and women, and invalids cannot reasonably hesitate to give it a trial. For Dyspepsia and Debility it is a specific.

THE REASON WHY

Dr. Wheeler's Compound Elixir of Phosphates and Calissaya is called a Chemical Food and Nutritive Tonic, because Phosphates constitute more than half the material of the human body, and are absolutely essential to the growth of Bone, Muscle and Nerve, which cannot attain full development without them. They promote a good appetite, perfect digestion, and give pure, healthy, vitalizing blood, and supply the waste constantly going on in the system as the result of mental and physical exertion. Being combined with Calissaya, the Peruvian Bark, the only specific for Chills and Fever, and that condition of Nervous Prostration and General Debility arising from low vitality and exhaustive diseases, it forms an elegant and agreeable, invigorating Tonic, purely physiological in its action, that may be taken safely under all circumstances, and all diseased conditions of the body, as builds up the constitution in the same manner as our daily food.

POSITIVELY A FACT.

Mustard's Catarrh Specific
Cures Catarrh, Cold in the Head, Neuralgia, Toothache, Nerve and Sick Headache, Weak and Sore Eyes. The Specific is a new remedy, prepared from Medicinal Barks, Roots, Gums and Flowers. Free from poisonous Drugs, it is harmless, novel, and philosophic in its operation. Try it if you are afflicted with the above diseases. It is also one of the best Cough and Croup Remedies extant.

MUSTARD'S Vegetable Pills should also be used in connection with the Specific for Sick Headache and Catarrh; and those who are afflicted with Rheumatism should try Mustard's King of Oils.

Iron in the Blood
PERUVIAN IRON TONIC SYRUP
MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing defects, and wastes, searching out morbid secretions, and leaving nothing for disease to feed upon.

This is the secret of the wonderful success of the remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhoea, Bolls, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.

Those who have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

See that each bottle has PERUVIAN SYRUP blown in the glass. Pamphlets Free.
