weeks past on this day of the week. There were 30 loads of hay on the stand. Sales were about evenly divided

per cwt. for selects, and \$3 25 per cwt. for fat sows. The market is firmer and there may be a slight advance in

#### STOCK MARKETS.

H. C. Becher, stock broker, Bank of Commedce building, received the following by private wire from Bartlett, Frazier New York, Feb. 27. - Noon. - On the whole, today's market has so far of a more feverish character than for some days. U. P. has fluctuated irregularly over a range of some two points, while Southern Pacific, after being particularly heavy, suddenly developed great strength, the cause of the advance being said to be due to the distribution of buying orders. Another stock that fluctuated irregularly was N. Y. C. Close observers thought that the buying was good, and the opinion is entertained that some developments are pending in regard to the company.

Transactions in Steel common were had a firm undertone, but it has been Transactions in Steel common limited. Trade is bullish on Pennsylvania without any very satisfactory U.

# IN LONDON CITY

Plan Proposed by Which Indoor

New ideas for London schools in the east. They were away exactly two

long and on being arraigned, pleaded guilty to the charge and was remainded for a week. Miss Parsons' relative manned for a week. Miss Parsons' relative manned for a week. and Outdoor Attractions May Be Provided Public.

with Paris in the matter of indoor and there is good reason to believe that it will be carried to a successful issue.

The cities visited were Boston and Park Vork. Philaoutdoor attractions is on foot, and portion of the Crescent site formed in connection with the Holborn to the Strand improvement, and to convert it into a miniature Paris. In explaining the scheme this week Mr. William Davies, the chairman of the London County Council Improvement Committee, stated that negotiations had been going on for eighteen months between the London County Council and Mr. Gilbee Scott and Mr. Ernest Gerard. Mr. Scott and Mr. Gerard are acting on behalf of a large French syndicate who desire to obtain a lease of the land in question for the purpose of erecting a French theater, a French restaurant and cafe, and matters have now so far advanced that the improvement committee have recom-mended the council to grant the syndicate a six months' option to take up a lease for 99 years at a rental of \$220,000 per annum. The committee is quite aware as to the persons who are behind this scheme, said Mr. Davies, ican curriculum does not embrace quite and they are quite satisfied as to their as many studies as does the Ontario ability to carry out the undertaking.

In the center of the proposed site will be erected a fine stone building at work upon the report which they of beautiful design covering about a will present to the board of education. quarter of the total area. This will be 60 feet high, and will contain a gentlemen have accumulated a vast French theater, a French restaurant amount of memoranda, printed and and cafe, and galleries suitable for written, which it will take some time holding art and industrial exhibitions. to boil down into concrete form. All round the block will be erected charmingly designed shops only 27 feet high, which it is hoped will be occupied by French jewelers, milliners, confectioners, stationers, etc. The roofs of the shops will form a continuous promenade. The intervening space will be laid out as a garden and ornaflower beds, and there will also be an to Ozone.

flower beds, and there will also be an open air theater for summer use.

The five vessels containing the bones of the five Chinamen were placed in the tomb on Thursday. On that day the members of the Soon-on-Tong Association assembled, and, after salaning, praying and singing for half an hour, during which they also managed to consume a large quantity of incense and sacred colored paper, dedicated the new tomb and deposited 'the remains of five departed brethren.
