Voice of the People

A Reply to Mr. Cottam. I have been reading that most re markable production from the pen

Mr. John Cottam, which appeared your issue of Saturday last, entitle "It was mighty nice of you to give up our seat to that stout, old lady, Mr. links. It is pleasant to see that there who would plunge the American nation." Sorry, Mrs. Jabbers, but it wasn't no causus belli but the hypothetical belligerents commit some overt act that promise the honor and dignity of United States as a great nation, and A shrine, where saints and scholars met place her in a humiliating position be fore the world. Until that time con and may it never come, the with a safe and sane president as he A ruined heap-war's prize in sooth! chief executive head, will refuse to stampeded into acting as a natio While all the world stands ghast and cial and other advantages, but will as a steadying power to the world

large, while the value of her go offices diplomatically to the warr nations and her same judgment as independent arbiter relative to causes of the war and the conduct the belligerents, cannot be overest

But to come back for a moment two to Mr. Cottam's letter. If the destructive inertia of those drastic double superlatives and supernumerary expletives and embellishments do not carry conviction to the American people.
