Hoyle: "Last Sunday's sermon was the most interesting one I've listened to in years."
Shaw: "Too bad I missed it, old man. Our radio set is out of order."

Falsely Accused.

Shelton: "You know we have to economize, and yet you will play bridge and lose money."
Mrs. Shelton: "That's not true, Walter. Whenever I lose, I always give my L. O. U. to the winner."

Kind Lady: "Why did you shudder so when I mentioned me?"
The Tramp: "I used to be a movie comedian. Do I get it in my face or on a plate?"

A Man's Version.

There are stockings large and small. There are stockings awful thin. At some I must not look at all. They are so neat and trim.

I know they wear 'em short. I know there's some like flesh; What is to be the next resort? Were I to guess, they'd say I'm fresh!

The Eternal Feminine.

The pair were drifting in a canoe. The moonlight shimmered on the water. The setting was one to produce the usual madness. He proposed (as she knew he would). Just as he was about to enfold her in his arms, the canoe upset. She sank beneath the water, but immediately upon coming up said: "Oh, John! This is so sudden."

"Why dat came outen mah own patch, parson," said his host.
"Come outen your own patch?" questioned the minister, sternly, "den how come it's got bird shot in it?"

FOR JOY OF GOOD HEALTH

Manitoba Woman Thanks Lydia E. Pinkham's Vegetable Compound

Crandall, Manitoba.—"When I was a young girl at home and working I had terrible pains, almost more than I could bear, and I was not regular. These troubles kept me so tired all the time that I had no strength and no ambition to join in with my friends and have a good time. I was just tired and miserable always and life just seemed as if it wasn't worth living. I saw so much in the papers about Lydia E. Pinkham's Vegetable Compound, and then when my babies were coming I was tired and worn out the first three months and ached badly. I took the Vegetable Compound right along and must say it made a new woman of me and able to do my work, and it helped me through confinement. You see I am a farmer's wife with a big house to look after, and three babies now. I have told ever so many women about your medicine. Just last week I got a letter from my old chum in the East. Her baby was born fifteen days before mine, and she told me she was not feeling very well, her back aches so much, and that she is going to take the same medicine I took. You can use my letter if you wish." Mrs. Jos. H. Kidd, Box 56, Crandall, Manitoba.

THE COACH'S JOB

Something of the taskmaster, the general and the diplomat, and a lot of the doctor must be hidden away in the man who would be the coach of a successful football or track team. Emergencies of all kinds are his daily routine. A thorough knowledge of first aid is as essential as a knowledge of the game played by his men.

Bumps, bruises, strained ligaments and muscles are every day happenings, but the coach never becomes contemptuous of them. He knows that if neglected, they may result in anything. Trainers everywhere keep Absorbine Jr. in their lockers. They use it not only for sprains, cuts and bruises, but for the skin and blood protection of its disinfecting properties. In one convenient container it combines the functions of a number of preparations. It is the first of all the First Aid requisites in use in all of the leading athletic clubs.

And there are just as many everyday uses for Absorbine Jr. in the homes of Canada as there are in the training camps. Always keep it in the home where you can "jump to it" in case of emergency. \$1.25 at your druggist.
