of life.

Mr. Rose, with a view of benefiting all dyspeptic sufferers, writes as follows:—

"For a long time I was a great sufferer"

"After having had dyspepsia for almost a lifetime, I think the cure is a wonderful one."

LOOK WELL, FEEL WELL.

Be Well, Strong of Nerve and Light of Heart, with Plenty of Vitality to Keep You Well. When You Begin to Fail in Vigor, You Can Regain It by Using This Great Remedy.

It sends a continuous stream of vital energy into the nervous system for

The fountain of animal life is in your nerves. When you are weak your

nature of our institutions, they will learn to respect them and desire to avail themselves of the privileges of the broader freedom which every British broader freedom which every British subject enjoys.

that the latter vessel was not visited till will be contests in all the outer sease, and the quarantine is based is untenable and Tuesday afternoon; the facts being that although it was thought up to yesterday that Hall would have a walk over in St. Antoine district, Montreal, but at subject enjoys.

Tuesday afternoon; the facts being that although it was thought up to yesterday that Hall would have a walk over in St. Antoine district, Montreal, but at to men who have wasted the vivacious energy of youth by excesses or high living feeted." We see no reason why the facts being that although it was thought up to yesterday and the quarantine steamer was disingular to men who have wasted the vivacious energy of youth by excesses or high living feeted." We see no reason why the facts being that in practice it has failed to confer the facts being that although it was thought up to yesterday and the quarantine is based is untenable and Tuesday afternoon; the facts being that in practice it has failed to confer any real protection on those countries she was visited on Sunday afternoon, and the quarantine steamer was disingular to men who have found the spark of vitality growing fainter, and who have while feeted." We see no reason why the facts being that in practice it has failed to confer any real protection on those countries and the quarantine steamer was disingular to the facts being that in practice it has failed to confer any real protection on those countries and the quarantine steamer was disingular to the facts being that in practice it." Such an opinion feet with the facts being that in practice it has failed to confer the facts being that in practice it has failed to confer that the latter vessel was not visited in the facts being that in practice it has failed to confer that the latter vessel was not visi yet young in years, found the spark of vitality growing fainter, and who have, while yet young in years, found the spirit of manly power lessening as if age had come on and brought with it the decay of all physical and vital energies; to such men, and to all men who feel that their vital forces are slow of action and lacking in the fire of youth, Dr. Sanden's Electric Belt is worth its weight in gold.

A means of restoring youthful vigor is priceless. Nothing in this world is worth more to a man who lacks that element. And yet here is a remedy which thousands of the need, and they fail to grasp it because of fear that it might fail. "The Belt I received from you some time since has proved to be all you recommended it to be, and I take pleasure in recommending it to my friends. I would like to get another for my brother. Please send No. 6 by express, C.O.D. S. J. Graham, Rossland, B.C. March 3rd, 1897."

It is hard to believe that Dr. Sanden's Electric Belt will do what is claimed for it ntil you speak to someone who has tried it. Your most intimate friends are using it and being cured. They don't mention it be-use few men want anyone to know that they are in need of such a remedy. It makes men strong; it removes the effects of early habits, indiscretions, excesses, erwork and all abuse of the laws of Nature. It helps Nature to mend and makes anhood perfect.

The failure of medicine, of quacks, and even of other so-called electric belts, is no rgument against Dr. Banden's Electric Belt. No other treatment, no other belt, is in he same class with it. Everything else may fail, and still Dr. Sanden's Belt will cure. thas cured thousands who have tried other remedies without avail.

No man who is weak will make the right effort to regain his power until he tries Dr. anden's Electric Belt. A fair trial of this great remedy will make it unnecessary to the control of the same of

"The Belt I received from you I must say has done me a great deal of good. I feel tronger to-day than I did three or four years ago. My flesh is firm and strength interesting. The pain in my chest has not returned since I commenced wearing your belt," writes James Isbister, Esquimalt, B.C., March 9, 1897.

Be true to Nature, be true to yourself and your friends. Regain your health. Give the color of vigor to your cheeks, the sparkle to your eye. Regain your manhood for good by using the wonderful Electric Belt. All men who are weak should have Dr. Sanden's celebrated book "Three Classes of m," which will be sent closely sealed, free, on application.

DR. A. T. SANDEN. 285 Washington Street, PORTLAND, Oregon
Dr. Sanden pays the duty on all goods shipped to this Province.

LAWN MOWERS. THE FIRST GREAT IMPROVEMENT IN

20 YEARS.

The "Pastime" outs grass within 1-18 of an inch of a tree or fence. The old style mowers with not out within 3% inches, and thus necessitates trimming. The "Pastime" drive wheels are inside line of the cutting knives, therefore they NEVER GO OVER UNMOWN GRASS. The "Pastime" is the only mow-er that can be shar; ened by a nov-ice: There is no need to employ an expert. It is built of the very best materials and has oiling holes covered by escutcheons, thus keeping out all grit and dirt. Sizes made, 12, 14 and 16 inch.
