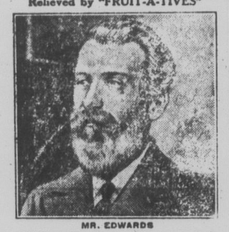
STOMACH ULCER AND GALL STONES

After Suffering 25 Years, Completely Relieved by "FRUIT-A-TIVES"



MR. EDWARDS

MAPLEHURST FARM, HILLHURST, P.Q.

"I am in my 78th year. *About 25 years ago, I began to have trouble with my Stomach.* One doctor said I had Cancer; another said, Ulcer of the Stomach; another, Gall Stones; others, Ulcers of the Liver and Inflammation of the Gall Bladder.

Three years ago, I consulted one of the best specialists in Montreal. He said I must go to the hospital, have an Ulcer cut out of my stomach and gall stones removed. I was then 74 years old. I said "NO."

Then, I began to take "Fruit-a-tives". I found they helped me a lot, and I still take them occasionally, and I am so much better that my old friends often ask me what I have done to myself to look so well. I am gaining in weight and enjoying life very much"

Removes Warts

"ENGLISHWOMAN" writes to the *Montreal Star*:

"I read a letter in your paper asking for a remedy for warts, and as I found one that took an ugly one off the side of my forehead I will give it to you. I had a bottle of Minard's Liniment in the house that I use for rheumatism, and casually reading directions I saw it was a good thing for corns and warts, so being so simple I tried it. Just dab it on with the cork two or three times a day letting it dry on. Well it all went away in about two weeks, dried up and came off by degrees.

"Another also appeared on my cheek not so large, but I applied the same remedy and could pick it off like the other."

TURN OVER A NEW LEAF AND "NEVER WEAKEN"

A few resolutions inspired by "Never Weaken," a thrilling laughter fest perpetrated in three hilarious reels by the be-goggled and inimitable Harold Lloyd, and coming to the Opera House soon.

Never work in a skyscraper.

Never fall in love with a doctor's blonde stenographer.

Never try to fool all the people in the same place.

Never brag before you bring home the bacon and eggs.

Never see all you look at.

Never listen to all you hear.

Never take sugar in your poison.

Never take an air flight on an iron girder.

Never, never, never say die! And "Never Weaken."

Did the cook "fire your wife?

Did the landlord raise your rent?

Did the barber clip you close and trim you quick?

Is the world all wrong?

Then laugh with Lloyd and "NEVER WEAKEN."

If you can't stand the "gaff"

How History Repeats Itself

Modern scientific research has revealed that many present-day healing methods were actually in existence thousands of years ago. For instance, sam-buk the world-famed skin healer of to-day, had its counterpart in the secret healing balms of Imperial Rome. These were used by the fighting gladiators for dressing wounds and sores.

Like the precious balms of long ago, sam-buk is compounded entirely of rare herbal juices and extracts, but scientifically blended and concentrated into convenient form for modern use.

Applied to any cut, wound or sore, sam-buk swiftly takes out pain, irritation and inflammation. Powerfully antiseptic and germicidal, it cleanses the inner tissues of poison and disease germs. Its stimulative and healing qualities are such as by magic.

Lastly, and most important, sam-buk is absolutely free from the animal fats and mineral drugs found in most ointments to-day. It is 100% pure herbal ingredient, and can be kept for months or to use even though kept for months.

For cuts, burns, scalds, sprains, sores and wounds; or the big troubles like eczema, salt rheum, ulcers, piles, worms, poisoned sores or piles, nothing can take the place of sam-buk. Get a fifty cent. box of this pure balm to-day.

"SIX MONTHS AGO"

"It's hard to realize that six month ago I couldn't walk across the floor and now I am so well"

"I have never been very strong but the last summer was too much for me. This and the fact that my husband was out of work and I had to work day and night to keep from starving, left me a physical wreck. Luckily my husband was able to get a good job just when I had to go to bed. I tried everything I could think of to get strong, but each day I seemed to be getting weaker and weaker. I was reduced to a skeleton, I couldn't eat or sleep, I had no strength left and finally I was so weak that in trying to cross the floor one day I collapsed. I was so ill and weak that I didn't care whether I lived or died. And then I heard about that marvellous preparation—Carnoll. A friend of mine had used it with wonderful results and as it had done so much for her, I decided to try it. The results were nothing less than miraculous. In two weeks I was able to get up and walk about the house. My appetite had returned. I was actually hungry. I could sleep when I went to bed, something I had not been able to do for months. I have already taken six bottles of Carnoll and I am still taking it. I weigh more today than I ever weighed before in my life. I sleep like a child. I am never tired and my skin is as clear and my cheeks as rosy as a girl's. I bless the day I heard about Carnoll." Mrs. E., Toronto.

Carnol is sold by your druggist and if you can conscientiously say, after you have tried it, that it hasn't done you any good, return the empty bottle and he will refund your money. 9-122
