**Toronto Markets.**  
Toronto, April 25.—City cattle market—Receipts, 93 cars, with 1,670 head of cattle, 763 sheep and lambs, 500 hogs, and 531 calves.  
Trade good, particularly for light butcher cattle of good quality, and from 930 to 1,000 lbs. in weight. For the heavy cattle the market is a little dull, lacking a good export demand. These heavier cattle are offering at a lower price than they would fetch in a more active market, but some of the local men claim they are too heavy for the home trade, a lighter class of cattle being preferred at this season. Prices to-day were good and firm at yesterday's levels, with about the same decline of 10c to 15c on heavy export cattle.

**NERVOUS DISEASES IN THE SPRING**  
Can be Removed by Toning up the Blood, Thus Strengthening the Nerves.

Nervous diseases are more common and more serious in the spring than at any other time of the year. This is the opinion of the best medical authorities after long observation. Vital changes in the system after long winter months may cause much more than "spring weakness," and the familiar weariness and aching. Official records prove that in April and May neuralgia, St. Vitus dance epilepsy and various forms of nerve disturbances are at their worst, especially among those who have not reached middle age.  
The antiquated custom of taking purgatives in the spring is useless, for the system really needs strengthening while purgatives make you weaker. Dr. Williams' Pink Pills have a special action on the blood and nerves, for they give strength and have cured not only many forms of nervous disorders, but also other spring troubles, such as headaches, weakness in the limbs, loss of appetite, trembling of the hands, as well as unsightly pimples and skin troubles. They do this because they actually make new, rich, red blood, which means a return to perfect health.  
Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

**KERWOOD.**  
Mr. Ed. de Gex has purchased the imported Clyde stallion "Lord Harry" from Messrs. Haskett of London Township. Lord Harry came to Canada with a high recommendation from his exporters, Messrs. A. and W. Montgomery and has certainly made good as he has travelled for six consecutive seasons on the same route. He is not only a prize winner himself, being first at Ayr and second at Glasgow as a 2-year-old, but his ancestors were great prizewinners. He is also the sire of Mr. C. M. Simmons' heavy draft team which weighed 4100 lbs. and sold for \$750.00, probably the heaviest and highest priced team of his time.

**Dixon-Williams.**  
St. Paul's Anglican Church in Bloor street, Toronto, was the scene of a quiet wedding on Thursday of last week when the marriage was solemnized of Miss Frieda Kathleen Williams, daughter of Mr. John S. Williams, to Dr. Edgar C. Dixon. The ceremony was performed by the rector, the Rev. Canon Cody, and only the immediate relatives were present. The bride, who was given away by her father, wore a traveling suit of fawn cloth with touches of cerise and hat to match, and she carried a bouquet of pink sweet peas. There were no attendants. Dr. and Mrs. Dixon left after the ceremony for a short trip across the line, and on their return they will reside at 139 Wilton Avenue.  
**Young But Wise.**  
In a school in a Western Ontario town is a little girl who has not taken quickly to the mysteries of addition. "One plus one?" asked the teacher, while putting the girl through the easiest of the addition tables. The little girl referred to was the only person in the class who couldn't give the answer. "Two plus one?" asked the teacher. The little girl smiled confidently, put up her hand and when noticed by the teacher, said, "Shoe polish."—From Toronto Canadian Courier.
