An accident occurred here last Thursday morning in which Percy Brooks got quite badly hurt. He was coming down Graham Hill on a bicycle and ran into a team driven by Augustus Wentzell, and only Mr. W.'s presence of mind prevented a more serious accident. As it was he got badly bruised and shaken up, but no bones broken. All that was left of the fore wheel of the bicycle was the rim and hub. This should be a warning to the boys who make a practice of coasting down the hills on their wheels, as it is a very dangerous practice and liable at any time to be attended with very serious results.

Diamond Dyes
Made Especially for Easy and Successful Home Dyeing
The DIAMOND DYES are the only package dyes admitted to the homes of wise and economical women. Why? Because they have every quality which true home dyes should possess. DIAMOND DYES are today, the only dyes guaranteed to give decided and happy successes. All druggists and general merchants who desire to please their customers, sell only the DIAMOND DYES, for the simple reason that they always give complete satisfaction.
Common and adulterated package dyes put up to imitate the DIAMOND DYES are sold by some merchants because of the extra cash profits they yield. These deceptive dyes are, in every case, worthless as coloring agents; they produce weak and blotchy colors, and invariably ruin good garments and materials. Their use has caused grief and loss of money in many homes.
Always use the reliable and popular DIAMOND DYES and you will make the old faded things as good as new. Send to Wells & Richardson Co., Limited, 200 Mountain St., Montreal, P. Q., for new literature Book and Diamond Dye Cook Book; all sent free to any address.
