Black Breasted Red Games, bred directly from birds imported from England by W. L. Ball, Esq., and bred last year with Cock imported by Wm. Cox, Esq. They possess all the points essential for successful Exhibition, long clean heads, whip-tails, light-red hackles, and for station, style, size and symmetry, are unsurpassed. Years of time and large sums of money have been spent to produce these characteristics, their ancestors have won more prizes than any other strains in Canada. As I make a specialty of B. B. Red Games, I will farm, for the season of 1887, a second yard composed of Hens and Pullets from the above and a GRAND BLUE BLOODED COCK imported by myself for that purpose from the blue grass regions of Kentucky. I also breed on separate farms, 1 yard B. B. Red Malays, 1 yard Red Piles and also Golden Duckwings, all from prize winning stock.

Mammoth Bronze Turkeys from the largest stock procurable on the Continent of America. I have imported during the last two years from points in the U.S., ranging from Vermont to Kentucky no less than 10 of the best birds I could find regardless of cost and expenses. My last importation of these beautiful

Bronze consist of a Trio of yearlings (1 Tom and 2 Hens), from Bourbon County, Kentucky, that weighed on 1st December, 1886, no less than 90 lbs. My stock has my personal attention, has unlimited ranges, varieties all kept separate, and warranted true to name. Fowls for sale at all times, Eggs in season, \$3.00 per settings, 2 settings for \$5.00, 3 setting \$7.00, Turkeys eggs \$5.00 for 11 eggs. No circulars. Correspondence solicited.
