

Prospectus of the 2nd Volume OF THE "Canada Farmer."

FAMILY JOURNAL OF AGRICULTURE, INTERNAL IMPROVEMENTS, EDUCATION, SCIENCE, AND GENERAL INTELLIGENCE.

Published weekly, Saturday R. Brown & Co. Editors, Toronto, and printed by J. G. Macfarlane, 100 King Street East.

The Farmer was established to supply a want that has long been felt in the periodical literature of Canada. On the one hand, a majority of the weekly papers devoted their exclusive attention to the politics of the day...

Although it is impossible to treat of public questions without, in some measure, writing politics, yet the "Farmer" has not included what parties have done here or there, as a yard-stone for the progress of the country...

The 1st volume has met with unexpected favor from the public and the Press. The encomiums of the latter, so liberally bestowed, would have consoled the Editors with the belief that their labours were not unproductive...

The 2nd vol. will be superior to the first in several points. More time will be given to it by the Editors, and a number of persons of the highest qualifications have promised their assistance as correspondents...

A FARM of 200 Acres, situated in the township of Dumfries, being Lot No. 1 in the third concession on the main road to Iris, and about 1 mile from the thriving village of Saint George; will be sold upon reasonable terms, the owner being anxious to purchase a greater quantity of land to settle his sons. There are 110 acres cleared, good fences, a good frame house built in '37, a large orchard, chiefly of grafted fruit, and living springs on both of the front corners of the lot. Price considered unprecedentedly low. Application may be made to the editors of the Canada Farmer, or to the subscriber on the premises. LEVI WILLIAMS

THE Canada Farmer,

A SEMI-MONTHLY JOURNAL OF AGRICULTURE, INTERNAL IMPROVEMENT, LITERATURE, SCIENCE, AND GENERAL INTELLIGENCE, is published every other SATURDAY Morning, at the Book & Stationery Store of R. BREWER, 46 King-street, Toronto.

TERMS:

Single Copies, 5s.; any person remitting Subscription for Three Copies, will receive one copy gratis. All Payments to be made in Advance. Advertisements inserted on the usual terms.

All Communications to be addressed "To the Editors of the Canada Farmer, Toronto," and Post paid.

It will be seen by the above that our terms are greatly reduced. If the Canada Farmer is not now the cheapest, neatest, best conducted, and most useful family paper published in the Province, or, indeed, upon this continent, then we are mistaken, and so are many of our brethren of the press; and if it does not soon obtain a larger circulation than any publication in the country, we shall be much disappointed.

LOCAL AGENTS

So many are now appointed that we cannot publish their names. We allow them one-third. Any person offering the Farmer, as a "local agent," for less than one dollar, or upon any terms but cash, is acting without our authority. Travelling agents may appoint local agents, and take subscribers without cash; we have an agreement with them for such cases. Their names are below.

TRAVELLING AGENTS.

James Wilson, Wm. A. Stephens, Jeremiah Sovereign, and David Curtis, Jr. Herkimer Putnam, for townships of London, Westminster, Delaware, and Dorchester, Lodder Davis, for Mplahide, Benj. H. Hazen, for Bayham, John Darling, Western; and Wm. Batson, for Gore District.
