2.
 Long may our anthem ring,
 In loving praise we sing,
 Empress and Queen;
 Peace on thy reign attend,
 Right and our land defend,
 May God all blessings send
 To thee our Queen.

3.
 Long may our standard wave
 For free men and the brave,
 For thee our Queen,
 Thy sons from despots free;
 God, truth, and liberty,
 Emblems shall ever be,
 God save our Queen
