

LOSS OF FLESH

is weakening. You cannot afford to fall below your healthy weight. If you will take Scott's Emulsion of Cod-liver Oil with Hypophosphites of Lime and Soda when your friends first tell you you are getting thin, you will quickly restore your healthy weight and may thereby prevent serious illness.

Persons have been known to gain a pound a day by taking an ounce a day of Scott's Emulsion. This seems extraordinary; but it is absolutely true.

Don't be persuaded to accept a substitute!
