

DIPHTHERIA.—Thousands of deaths caused by diphtheria could have been prevented by a single bottle of Minard's Liniment used internally and externally. It is a positive preventive of diphtheria and will cure 90 cases out of 100, every family should keep it in the house.

Etherington's Adjustable Spring Bed.

The Spring Bed consists entirely of

STEEL SPIRAL SPRINGS,

which lock on the slats of a common bedstead; making a most DESIRABLE BED WITH BUT A SINGLE MATTRESS, thus a saving in the price of bedding. They are the best laying, the most easy, most comfortable, most elastic, the cleanest and the easiest cleaned, the best ventilated (therefore the most healthy), the most durable, the cheapest and the easiest repaired. Most adjustable, as it fits all bedsteads without regard to width or length, and is perfectly noiseless. It can be packed in a trunk 16 inches square, so the most portable; no hiding place for vermin, no sagging to the centre, no slats to become bent and remaining so, but can be adjusted to the unequal weights of the occupants, permitting them to lie on the same level. On all points of merit we solicit comparison with any other Bed in the market.

All orders by mail will receive prompt attention.

ANOTHER PROOF.

GENTS.—In February last I took a severe cold, which settled in my back and kidneys, causing great pain. After using several preparations and being without sleep four nights through intense pain, I tried your Minard's Liniment. After first application I was so much relieved that I fell into a deep sleep, and complete recovery shortly followed. JOHN S. McLEOD, Lawrencetown, N. S. Elm House

DR. WILLIAM HAWKER,

Dear Sir: During a period of more than two years, I have been (privately) recommending your "Nerve and Stomach Tonic," and now take pleasure in (publicly) bearing testimony to its merits as a health restorer, as, from personal experience, in its use, I think I have proved it thoroughly.

I always keep it on hand; for not continual use, but, to use when required.
