

FREE INSURANCE

The man who takes an Endowment Policy in the Manufacturers Life is practically getting Free Insurance.

True, he has to pay a small annual premium for 10, 15, 20, or 25 years as he may choose, but at the end of that time he gets all his money back with good interest thereon, and his 10, 15, 20, or 25 years of insurance will have cost him nothing.
