

Asthma

Can be
Permanently

Cured

By the Wonderful KOLA PLANT, which grows along
The Valleys of the Kongo River in West Africa

CLARKE'S KOLA COMPOUND

represents this plant in a highly concentrated form, and is the only remedy ever known to cure asthma in advanced stages without the slightest indication of its returning.

CLARKE'S KOLA COMPOUND is now being successfully used throughout the leading hospitals in England, United States and Canada, and in the homes for Incurables at Toronto, Ont., Kamloops, B.C., and other similar institutes.

Over 500 cases of Asthma and Hay Fever have been cured in Canada alone within the past three years by this remedy. Here are two proofs from hundreds:—

Well-known Canadian Notary Public Suffered for 35 Years—Permanently Cured by Clarke's Kola Compound.

R. D. Pitt, Kamloops, writes: "I had suffered for at least 35 years from the great oppressiveness of Asthma and shortness of breath. I had during these years consulted many physicians and tried all the remedies until the doctors told me I might get temporary relief, but would always be troubled. I tried Dr. Clarke's Kola Compound, and after taking the first bottle I became greatly relieved, and three bottles have completely cured me. I can now breathe as naturally as ever, and asthma does not trouble me in the least. I feel it my duty to bear testimony to the marvellous effect this remedy has had in my case, and would urge all suffering from this disease to try Dr. Clarke's Kola Compound, as only those who have suffered all these years as I have can appreciate what a blessing this remedy must prove to sufferers from asthma."

A PROMINENT VANCOUVERITE Permanently Cured of Asthma—Clarke's Kola Compound Cures.

F. J. Painton, the well-known proprietor of Painton's Music Store, Vancouver, B.C., writes: "I have been a great sufferer from asthma in its worst form for over fourteen years, very often having had to sit up nearly all night. I had consulted physicians, both in England and Canada, without obtaining any permanent relief, and tried many remedies with the same result. A friend who had been cured by Clarke's Kola Compound advised me to try it. And three bottles have entirely cured me. It is now nearly two years since my recovery, and asthma has not troubled me since. I feel very grateful to Dr. Clarke for introducing this remedy, as it certainly does what is claimed for it. I have frequently recommended Clarke's Kola Compound to others suffering as I was, and do not know of a single case where the required number of bottles have been taken that it has failed to cure."

Three Bottles of Clarke's Kola Compound are guaranteed to cure any case of Asthma or Hay Fever. Sold by all druggists. Price \$2 per bottle, 3 for \$5.

A Free Sample to any person who has Asthma or Hay Fever. Enclose 5c. for mailing case and postage. Mention this paper. Address:—
