HER MAJESTY'S TABLE WATER.
[By Appointment.]

GODES-BERGER is a natural sparkling Mineral Water, which flows from a spring of this name, situated near the old Castle of Godesberg, opposite the Seven Mountains of the Rhine. This Water is exquisitely Pure, being entirely free from organic substances, and is the most pleasant water to drink, either alone, or mixed with Milk, Fruitsyrups, Wines or Spirits. Although not a medicinal water, the use of Godes-berger will be found very beneficial to those who suffer from nervous weakness, or who are in any way troubled with indigestion, gout, or rheumatism.

GODES-BERGER has been highly approved by Her Majesty the Queen of England's Medical Advisers, also by numerous leading Physicians in London and throughout the world.

DR. C. FINKELNBURG, Professor and Member of the Imperial German Sanitary Office, writes: "The Godes-berger Natural Mineral Water may, on account of its pleasant taste, and easiness of digestion, be continuously used as a Table Water, and is a refreshing and wholesome drink. It is to be highly recommended."

DR. BROCKHAUS writes: "I prefer the Godes-berger Water above all Mineral Waters of a similar character."

EVERY man or woman's duty is to adorn themselves so as to appear as presentable as facilities of the present day will allow.

After you have adorned yourself in a new Suit, Dress, Wrap, Blazer, Shawl, Hose, Kid Gloves, Ostrich Plume, etc., do not forget to spend a few dollars in keeping them clean and in order; it will lengthen their life by one half and they will look better all the time, too.

Cleaning or Dyeing will often save clothing that would otherwise be thrown aside.

The Railway and Steamboat Times, December 11th, 1893, says: "Science has only begun. Many things undiscovered up to the present date, one in particular being a cure for baldness or falling hair."

I assert positively that I possess that cure, and guarantee to produce an entire new growth of hair. Any person (extreme old age excepted) can be treated at
