THE HIGH SCHOOL

Drawing Course.

Authorized by the Minister of Education.

The course is now complete:—

No. 1—Freehand.

No. 2—Practical Geometry.

No. 3—Linear Perspective.

No. 4—Object Drawing.

No. 5—Industrial Design.

These books are all uniform in size and style, and
 constitute a complete uniform series. The same plan
 is followed through them all—the Text, the Prob-
 lems, and opposite the Problems, in each case, the
 Exercises based upon them. The illustration it
 upon the same page with its own matter, and wish
 the exercise, in every case, is a space for the student's
 work. Each copy, therefore, is a complete Text
 book on its subject, and a Drawing Book as well, the
 paper on which the books are printed being first-
 class drawing paper. The student using these books,
 therefore, is not obliged to purchase and take care of
 a drawing book also. Moreover, Nos. 1, 4 and 5 are
 the only books on their subjects authorized by the
 Department. Therefore, if the student buys the full
 series, he will have a uniform, and not a mixed
 series covering the whole subjects of the examina-
 tions, and edited by Mr. Arthur J. Reading, one of
 the best authorities in these subjects in this country
 and recently Master in the School of Art.

Price, Only 15 Cents a Book.

The Retail Trade may place their orders with
 their Toronto Wholesale Dealers.
