THE PART OF THE

COMMENTARY ON THE NINTH COMMANDMENT .- At the examination of the children of the Windsor Infant School, a little boy was asked to explain his ides of "bearing false witness against your neigh-bor." After heatating, he said it was; "telling lies;" on which the worthy and reverend examiner said, "That is not exactly an answer to What do you say ?" addressing a little girl who stood next, when she immediately replied, "It was, when nobody did nothing, and somebody went and told of it." "Quite right," said the examiner, amidst "irrepressible rours of laughter, in which he could not help joining; the gravity of the whole proceedings being completely justingst over returners of બરહાલ કહીં હતું. જાણીલા કહ્યાં

Bishop Horne had his dignity somewhat taken down, when he took possession of the Episcopal palace at Norwich, in 1791. He turned round upon the steps, and exclaimed, "Bless us, bless us! what a multitude of people!" "Oh, my lord," said a bystander, "this is nothing to the crowd on Friday last, to see a man hanged!"

After a christening at a church in Southwark, while the minister was making out the certificate, he hap-pened to say, "Let me see, this is the 30th." "Thir-tieth." exclaimed the indignant mother, "indeed it is only the eleventh!" The minister was alluding to the day of the month.

A VALUABLE FAMILY MEDICINE.

33-So celebrated has Dr. M'Lane's Vermifuge, prepared by Fleming Bros., of Pittsburgh, Pa., become, that it is regarded as the only specific cure for worms. Families should never be without a supply of it. At this season of the year particularly, when worms are so troublesome and frequently fatal among children, parents should be watchful; and on the first appearance of those distressing symptoms which warn us of their presence, at once apply this powerful and efficacious remedy. We are confident that it only requires a trial, to convince all that it richly merits the praises that have been lavished upon it. It is safe and infallible. Volumes of certificates can be produced, showing its great medical virtues.

Purchasers will be careful to ask for DR. M'-LANE'S CELEBRATED VERMIFUGE, manufactured by FLEMING BROS. of PITTSBURGE, PA. All other Vermifuges in comparison are worthless. Dr. McLane's genuine Vermifuge, also his celebrated Liver Pills, can now be had at all respectable drug stores. None genuine without the signature of

Toronto, August 6, 1856.

PARK LOT No. 2, adjoining the flourishing TOWN of PERTH, the Capital of the County of Lanark, Upper Canada.

This Property, the residence of Anthony Leslie, Esquire, consists of TWENTY-FIVE ACRES of rich LAND, in the highest state of cultivation, well fenced, and planted with Ornamental Trees. The COTTAGE and OUT BUILDINGS are in good order, and it is in every respect such a situation as would please a gentleman in want of a genteel and hand-

some property.

The owner has spared no expense, during the last twenty-six years, to bring it to its present high state of comfort and beauty, and will be ready to treat with persons in want of such a place, on the most liberal terms. For further particulars enquire by letter, post paid, of the proprietor at Perth.

The above mentioned property is bounded on the East by the continuation of Wilson Street, the principal entrance to the Town; on the South by Leslie Street; on the West by the River Tay, (a very hand-

some piece of water); and on the North by the property of the Hon. R. Mathrson.

The Buildings and Fences cost £1,000. There are above 5,000 Trees, and of these 150 are great beauties, and may be well rated at Ten Dollars cach. It has taken twenty-six years' care to bring them to their present perfection—many of them no person with the smallest taste would remove if offered Sixty Dollars each. Great pains have been taken in laying out the grounds.

Had I complied, as frequently urged, to dispose of Building Lots, I might have sold them at the rate of £500 per acre. Judge Malloch, on the opposite side of the Street

has sold five Building Lots, one-fifth of an acre each, at £100 the Lot. "What I expect to obtain for the Property is at the rate of £100 per Acre. I invite persons disposed to purchase to make their offers.

PECTORAL,

FOR THE BAPID CURE OF Colds, Coughs, and Hoarseness.

BRINGELD, Mass., 20th Dec., 1855.

Da. J. C. Aver.: I do not heeltate to say the best remedy I have ever found for Coughs, Hourseness, Indianeura, and the concomitant symptoms of a Cold, is your Cherry Perroral. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints.

EBEN KNIGHT, M.D.

A. B. MORTLEY, Esc., of Utica, N. Y., writes: "I have used your PECTORAL myself and in my family ever since you invented it, and believe it the best medicine for its purpose ever put out. With a bad cold I should sconer pay twenty five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza.

Brangiel, Miss., Fob. 7, 1856.

Brangield, Miss., Miss.,

AMOS LEE, Esq., Montreet, IA., writes, 3d Jan., 1856: "I had a tedious influenza, which confined me in doors six weeks; took many nedicines without relief; finally tried your Protosal, by the advice of our clergyman. The first does relieved the soreness in my threat and lungs; less than one half the bottle made me completely well. Your medicines are the cheapest as well as the best we can buy, and we settem you, Doctor, and your remedies, as the poor man's friend."

Asthma or Phthisic, and Bronchitis.

When Manchesten, Pa., Feb. 4, 1866.
Sin: Your Charry Pectoral is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years.

HENRY L. PARKS, Merchant.

A. A. RAMSEY, M. D., Albion, Moneoz Co., Iowa, writes, Sept. 6, 1855: "During my practice of many years I have found nothing equal to your Cheesy Perforal for giving ease and relief to consumptive patients, or curing such as are curable." We might add volumes of evidence, but the most convincing

proof of the virtues of this remedy is found in its effects upon trial. Consumption. Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid

can reach; but even to those the Chenny Pectonal affords re-

lief and comfort. lief and comfort.

ASTOR HOUSE, NEW YORK CITY, Murch 5, 1856.

DOCTOR AYER, LOWELL: I feel it a duty and a pleasure to inform you what your Cherry Pertural has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily failing, until Dr. Strong, of this city, where we have come for advice, recommended a trial of your medicine. We bless his kindness, as we do your skill, for she has recovered from that day. She is not yet asstrong as she used to be, but is free from her cough, and calls liered! well. Yours, with gratitude and regard.

ORLANDO SHELBY, or SHELDYHLE.

Consemptives, do not despair till you have tried Aven's Cherry Provorat. It is made by one of the best medical chemists in the world, and its curve all round us bespeak the high merits of its virtues. — Philadolphia Ledger.

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been taxed their utmost to produce this hest, most perfect purgative which is known to man. Innumerable proofs are shown that those Priss have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purgo out the forl humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the everyodry complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are, at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of my afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use, and certificates of their cures of the following complaints:—

Costiveness, Billious Complaints, Rheumatism. Dropsy, Heartburn, Headache arising from a foul Stomach, Nausca, Indigestion, Morbid Inaction of the Bowels, and Pain arising therefrom, Flattlency, Loss of Appetite, all Ulcerous and Cutaneous Diseases which require an evacuant Medicine, Scrofula or King's Evil.
