Mercantile Summary.

THE new Commercial Bank branch at Emerson is to be opened this week. Duncan McArthur will have charge.

MR. CARNEGIE's new roller mill at Port Perry is in full blast. The capacity of the mill is seventy-five barrels per day.

A DEMAND of assignment has been made upon J. E. Bourque, a dry goods retailer of St. Johns, Que.; liabilities are a little over \$8,000. We shall refer to this case more fully next week.

THE bulk of the North-West wool clip is going, according to the *Free Press*, into the hands of a Toronto dealer who handled the most of it last year. The sale is reported of 30,000 pounds at 15 cents f.o.b. Calgary and Swift Current.

ILL health has rendered it necessary for J. R. Armstrong, one of the oldest founders in the city, to retire from business. Trustees have been appointed who will dispose of the assets in the best possible way, and the estate will be wound up. It shows a surplus of \$70,000.

LAST week we stated that the firm, J. E. McGarvin & Co., Berlin, had suspended. Since then the firm has assigned with liabilities of nearly \$30,000. The value of the assets is not yet known, but it is thought they will not exceed half this sum.—About five years ago Lahey Bros. & Co. succeeded John Rennie in the dry goods business in Brampton. At that time the firm claimed to have a capital of \$4,000. If this were so they made a poor use of their resources, for they have been slow pay for a long time, and have now assigned.
