**There's Money**

For grocers and general dealers in a well-selected assortment of Tobaccos. But unless the article has a reputation for meeting all the requirements of the most exacting smoker, you had better not keep it at all. Our

**CUT Old Chum AND PLUG**

for instance, has stood the test for many years. If you keep it you keep something that reflects credit on your judgment, helps other departments of your business, and leaves you a good margin of profit. It is the same with our famous FANCY MIXTURES—or indeed anything in Tobacco bearing our name, which has come to be regarded as a guarantee of excellence. We have found that merit tells. So will you.

**Mercantile Summary.**

A QUARTERLY dividend of two per cent. is declared by the Montreal Cotton Company.

At the close of November, the private banking firm of McCullough & Young moved to their new offices on Main street, Markdale. The building is red brick, with stone facings, plate glass in the windows, neat fittings and a good vault.

The annual meeting of the Northern Pacific and Manitoba Railway Company was held in Winnipeg on the 4th inst. The following gentlemen were elected directors:—James McNaught, James B. Williams, J. W. Kendrick, Duncan Macarthur, and George Earl.

The town of St. Jerome, Que., furnishes rather more than its proportionate quota to the failure list this week, there being three failures there to note: Joseph Trudel, a dealer in furniture and agricultural implements, has made an assignment; liabilities, \$2,225.—C. Crevier, after having been a clerk for fourteen years, thought he would make an essay in the grocery business for himself, and accordingly opened a shop last May. He has not, however, given business that attention which is essential to success, and has already assigned. The liabilities are not yet ascertained.—The firm of E. Nantel & Co., dry goods, was started in the fall of 1891, Mr. N. registering as doing business in the name of his wife. A Montreal accountant has had occasion to investigate affairs, and the result has led to a meeting of creditors being called. Liabilities are \$6,488, assets apparent, \$5,248.
