exception, which is in Sombra Township. So far 120 hogs have been ordered killed.

You will see by this that the facts of the case have been very much exaggerated by the press, for on the 5th inst. it was stated that "a thousand hogs had already been ordered killed," when there were not any ordered until the 7th inst. Therefore any reports contrary to the facts as I have stated, that you may have seen in the press as originated from me, were entirely false and given without my knowledge. While the public should be informed of the existence of any disease, I think such publicity should be kept within the limits of the truth.

Yours very truly,
ROBT. F. GOLDEN,
Inspector.
