

Lithographic, Drawing, Printing & Chromo-Lithography

The Subscribers beg leave to notify their friends and the Public that they have secured some of the best Artists and engraving talent on this Continent and are prepared to execute Chromo-Lithography, in all its branches, including Portraits of Landscapes, Views of Buildings, Steamboats, Showboards, Labels (in every style) Illustrations for Books and Periodicals &c.

Having greatly increased their facilities for producing the best Commercial Work and having added to their Printing Department one of the most improved Lithographic Steam Printing Presses, they are enabled to reduce the cost of Presses, Maps, Bills of Exchange, Labels, Bill Heads &c. to a small amount on ordinary printing at the same time guaranteeing a style of Work not equalled in the Dominion of Canada. They would also call the attention of Bankers and Business men generally to the superiority, beauty and protection afforded by this class of work as compared with any Printing Engraving, Patent Machine Manufacturers and others will find it to their advantage to call before ordering elsewhere. Orders sent from any part of the Dominion will be executed with care and promptitude.
