

IT COVERS A GOOD DEAL OF GROUND

—Dr. Pierce's Golden Medical Discovery. And when you hear that it cures so many diseases, perhaps you think "it's too good to be true."

But it's only reasonable. As a blood-cleanser, flesh-builder, and strength-restorer, nothing like the "Discovery" is known to medical science.

The diseases that it cures come from a torpid liver, or from impure blood. For everything of this nature, it is the only guaranteed remedy. In Dyspepsia, Biliousness; all Bronchial, Throat and Lung affections; every form of Scrofula, even Consumption (or Lung-scrofula) in its earlier stages, and in the most stubborn Skin and Scalp Diseases —if it ever fails to benefit or cure, you have your money back.

The worse your Catarrh, the more you need Dr. Sage's Catarrh Remedy. Its proprietors offer \$500 cash for a case of Catarrh in the Head which they cannot cure.

There is no better, safer or more pleasant cough remedy made than Hagyard's Pectoral Balsam. It cures hoarseness, sore throat, coughs, colds, bronchitis, and all throat and lung troubles.

John S. Reed, of Goler mining district, recently found a gold nugget weighing fifty-six and a half ounces, valued at \$10,000. Reed says this nugget is the largest found in California in twenty years.

DEAFNESS CURED.

GENTLEMEN,—For a number of years I suffered from deafness, and last winter I could scarcely hear at all. I applied Hagyard's Yellow Oil and I can hear as well as any one now. MRS. TUTTLE COOK, Weymouth, N. S.

The booty promised the British soldiers in their war against Lobengula, was, for each soldier, a farm of 3,000 acres and twenty gold claims in Matabeleland. The gold claims entitle the holders to prospect a strip 8,000 feet in length and 150 in breadth.

FOR SEVERE COLDS.

GENTLEMEN,—I had a severe cold, for which I took Dr. Wood's Norway Pine Syrup. I find it an excellent remedy, giving prompt relief and pleasant to take.

The King of Assam has 200 wives, who are divided into nine classes. When one of these ladies dies her body is let down over the palace walls to be buried; it is against the law for a dead body to be carried through the doors.

THE MOST EXCELLENT REMEDY.

DEAR SIRS,—I have suffered greatly from constipation and indigestion, but by the use of B.B.B. I am now restored to health. I cannot praise Burdock Blood Bitters too highly; it is the most excellent remedy I ever used.

At twenty years of age a temperate person is supposed to have a chance of living for forty-four years. Should the same person, still living a temperate life, reach the age of sixty, the chances are that he will live fourteen years longer.

THE CHILDREN'S ENEMY.

An important discovery has been made
in Hamburg of forged seals and deeds of
various kinds. The discovery was made
in the course of the trial of three persons
charged with falsifying legal documents.
From the papers seized it appears that a
regular manufactory of forged seals and
deeds has been in existence since 1885,
and that its activity has been extended
to all parts of Germany, Italy, France,
Austria and Turkey.
