## INTERNATIONAL TELECOMMUNICATION CONVENTION

Buenos Aires, 1952

At the time of signing the International Telecommunication Convention of Buenos Aires, the undersigned plenipotentiaries take note of the following statements :

### I

*For the People's Republic of Albania :*

In signing the International Telecommunication Convention, Buenos Aires, the Delegation of the People's Republic of Albania hereby declares :

1. a) The Kuomintang representatives are not in reality representatives of China and hence the decision taken by the Plenipotentiary Conference to allow them to sign the Convention is illegal. Only representatives appointed by the Government of the People's Republic of China are entitled to sign the Convention on behalf of China.

b) Signature of the International Telecommunication Convention, on behalf of Germany, by the representatives of the Bonn authorities, is illegal, since the Bonn authorities do not represent the whole of Germany. The Government of the German Democratic Republic legally acceded to the International Telecommunication Convention of 1947, and hence the German Democratic Republic is a party to the 1947 Convention, and a full Member of the International Telecommunication Union.

c) The decision taken by the Plenipotentiary Conference to accord the right to sign the International Telecommunication Convention to the representatives of Bao-Dai Viet-Nam and South Korea is illegal, since those representatives do not in fact represent Viet-Nam and Korea.
