

- (iv) fishing vessel registration number,
  - (v) captain or operator's name, if known, and
  - (vi) vessel length. For Canada, the list of vessels shall be transmitted to the United States as of June 1. For the United States, a provisional list shall be provided by July 1 and may be revised during the fishing season.
- (b) With regard to the list of Canadian vessels, the list shall remain fixed for the entirety of the fishing season as defined in paragraph 2 of Annex C. No vessels may be added to or replaced on the list during the fishing season except pursuant to paragraph 1(c) below.
- (c) In the event of *force majeure* or other cause for an exceptional request by the captain or owner of a Canadian vessel on the list in 1(a) for replacement of a vessel within a season, an ad hoc review panel will be convened by the Government of Canada to review the request and determine whether the request is warranted. If the finding is positive, the basis for the finding and the information regarding the replacement vessel per paragraph 1(a) shall be transmitted to the Government of the United States prior to the vessel entering the EEZ of the United States. Any replacement vessel shall not exceed the length overall of the original vessel it is replacing by more than 10 feet. Any subsequent replacements of that first replacement vessel must be of the same size or shorter than the vessel being replaced.
- (d) As soon as possible after receipt of the list of proposed fishing vessels, and subject to paragraph 1(e) below, the receiving Party shall satisfy itself that the list received meets the criteria of paragraph 1(a) and shall so inform the other Party in order to enable the albacore fishery to proceed pursuant to this Treaty.
