 "That the House go in Committee of Supply."—*Hon. Mr. Cartwright*..... 796

Motion in amendment—
 "That the Speaker do not now leave the Chair, but that it be resolved that whereas this House did on the 13th day of February, 1875, vote an Address to Her Majesty praying that a full amnesty should be granted to all persons connected with the North-West trouble, for all acts committed by them during the said troubles, saving only Louis Riel, A. D. Lepine and W. D. O'Donoghue, and that a like amnesty should be granted to L. Riel and A. D. Lepine, conditional on five years' banishment from Her Majesty's Dominion, thereby excluding W. D. O'Donoghue from the benefits of such amnesty—and whereas the said W. D. O'Donoghue has since written the following letter, &c. In the opinion of this House the Government should at one institute a thorough enquiry into the statements contained in said letter, in order that justice may be done in the premises."—*Mr. Costigan*..... 797
