

4.

In conclusion, may I thank you for your interest. I am as anxious as you are that, after all the work that has been done and money invested by the film company, this picture should be released for distribution. I do not think that the changes I require are very great, nor that I am unreasonable in my demands. Will you advise me whether it will not be possible to send the corrected film so that I may see it myself and approve it without further delay? I shall be in Montreal most of July.

Yours faithfully,

Principal
