Major Willis O'Connor,
Department Militia & Defence,
Ottawa.

Dear Willis:-

I have received a letter from
Mr. E.S.S.W. Everest of Rathwell, Man., in which
he makes application on behalf of the Rathwell
Girls' Khaki Club for a pair of German Machine
Guns.

It seems that the Girls' Club is
a very active organization and have rendered valuable
assistance in raising funds to erect a monument.
They would like to have these two machine guns to
place in position beside the monument.

Will you please place their request
before the Committee which deals with war trophies
and very greatly oblige me.

With all good wishes, I am, dear
Willis,

Ever yours faithfully,
