Principal,

McGill University,  
Montreal.

Dear Sir Arthur,

I regret having to tender my resignation from the Advisory Committee for the Investments of McGill University.

While I am very glad to do what I can in order to improve the position of the investment account, as you are probably aware it has already required a great deal of study and time which can hardly be justified by the reluctance of the Investment Committee to take advantage of and act upon the recommendations made.

Yours truly,

*Basil Outerbridge.*
