

# MEDICAL MANUFACTURING COMPANY, LIMITED.

## OTTAWA, CANADA.

### DIRECTIONS FOR SPECIAL MEASUREMENTS.

Take the circumference of the limb, or part of the limb you want covered, by letters, and give **length on inner side of limb**; when the piece reaches knee, *always divide* the length measurement at F, or bend of knee, as approximate knee exactly. Measure *when standing*.

**SPECIALS MADE TO ORDER AT YOUR RISK.**

**TAKEN IN THE MORNING, WHEN POSSIBLE.**
