Democratic Caucus Thinks

25 Per Cent. Cut Isn't Enough.

PLANTERS E M BATTLED

Cane and Beet Sugar Interests

Want the Duty Retained.

WASHINGTON, April 11.—(Can. Press).—Shoe machinery, now taxed 45 per cent, and on which a reduction to 25 per cent was proposed by the tariff revision bill, was ordered transferred to the free list by the Democratic caucus of the house today. It was the first real break of the Democrats from the ways and means committee rates.

For three days there had been a great deal of speech-making from members with and without grievances, but all amendments proposed had been steadily voted down, with majorities satisfactory to the Democratic leaders.

The shoe machinery amendment, proposed by Representative Borland of Missouri and carried by a viva voce vote without substantial opposition, followed a lively discussion, in which Representative Olesby of New York, a new member, arraigned the so-called United Shoe Machinery Trust and demanded that the tariff be an opportunity to let it in competition.

Fight Over Sugar.

The other development of the day was the agreement of Louisiana members on an anti-free sugar program in the caucus, with Representative Broussard on guard to offer a series of amendments to the sugar schedule to represent the sentiment of the Louisiana cane sugar interests and the beet sugar sections.

Representative Hardwick of Georgia and others are insistent upon immediate free sugar. The Broussard amendments would make the 100 weight rate on 96 degree sugar from Cuba \$1.14 on passage of the bill, \$1.05 on June 30, 1916, and \$1.00 on June 30, 1920, instead of \$1.34 as under the present law and \$1.04 as in the committee bill. This would mean a reduction of roughly 20 cents at the outset, 25 cents in 1916, and 37 cents in 1920. On 100 degree sugar the Louisiana cane sugar interests and the beet sugar amendment would make a net reduction from the present rates of 37-1/2 cents per 100 pounds on passage of the bill, 30 cents in 1916 and 25 cents in 1920. The pending tariff bill rate is 54 cents.

Agreed on Wool Schedule.

The wool schedule was quickly disposed of by the caucus. An amendment by Representative Baker of California, to transfer paving posts, railroad ties and telegraph and other poles to the free list in place of the proposed ten per cent duty, was voted down.

Tonight Democratic Leader Underwood said the caucus would not be able to get thru the bill for several days and that its consideration by the house probably will not begin for another week.

Hundreds of protests against the rates in the proposed tariff are reaching members in the senate and house.

Tobacco Habit

Dr. McTaggart's tobacco remedy removes all desire for the weed in a few days. A vegetable essence, and only requires touching the tongue with it occasionally. Price 25 cents.

Liquor Habit

Marvellous results from taking his remedy. No treatment, no hypodermic injections, no publicity, no loss of time from business, and a permanent cure. Address or consult Dr. McTaggart, 75 Yonge Street, Toronto, Canada.

PARALYZED AND COULD NOT WALK

"Fruit-a-tives" Completely Restored New Brunswick Merchant to Health.

Mr. Alva Phillips.

BRISTOL, N. B., July 25, 1911.—"I am unable to say enough in favor of 'Fruit-a-tives,' as it saved my life and restored me to health, when I had given up all hope, and when the doctors had failed to do anything more for me. I had a stroke of paralysis in March, 1910, and this left me unable to walk or help myself, and the constipation of the bowels was terrible. Nothing did me any good, and I was wretched in every way. Finally, I took 'Fruit-a-tives' for the constipation, and it not only cured me of that trouble, but gradually this fruit medicine toned up the nerves and actually cured the paralysis. Under the use of 'Fruit-a-tives' I grew stronger and stronger, until all the palsy and weakness left me. I am now well again and attend my store every day and all day.

"Fruit-a-tives" is the only remedy in the world that is made of fruit juices and tonics.

FIRED GRAND STAND AT CRICKET GROUNDS

LONDON, April 1.—(Can. Press).—Militant suffragettes started on their work of destruction at a very early hour this morning, when they set fire to the grand stand of the great Cricket Ground at Tunbridge Wells.

They left behind them a photograph of Mrs. Emmeline Pankhurst as an indication that the women had taken this means of protesting against her imprisonment in Holloway jail.

The fire started in the dressing-rooms of the members' pavilion, which large quantities of tarred netting used in cricket practice was stored.

The building was extensively damaged and the loss caused by the fire amounted to several thousand dollars.

DODD'S KIDNEY PILLS MAKING A REPUTATION IN THE WEST.

Saskatchewan Man Tells How They Cured Him, After Four Months Suffering from Backache and Other Forms of Kidney Disease.

ST. PHILIPS, Sask., April 11.—(Special).—In a new country, where changes of climate and impure water are among the difficulties to be surmounted, kidney trouble is prevalent. It is the kidneys, the organs that strain the impurities out of the blood, that first feel any undue strain on the body. Consequently, Dodd's Kidney Pills have been well tried and tested in this neighborhood.

They have stood the test. Many settlers tell of backache, rheumatism and urinary troubles cured by Dodd's Kidney Pills. Mr. Otto Olshewski is one of these. In speaking of his cure he says:

"I suffered from kidney disease for four months. My back ached. I had heart flutterings, and was always tired and nervous. My skin had a harsh, dry feeling; my limbs were heavy; and I had a dragging sensation across the loins.

"I consulted a doctor, but as I did not appear to improve, I decided to try Dodd's Kidney Pills. I used six boxes, and now I am all right."

Dodd's Kidney Pills always stand the test. Ask your neighbors.

NOW SAYS HE'LL SUE POLICE OF BRANTFORD

Alfred Birch, Acquitted on Charge of Rioting, Alleges Indignities.

BRANTFORD, April 11.—(Special).—Alfred Birch, acquitted in the high court here this week on the charge of being a member of an unlawful assembly, will enter a suit for damages against the Brantford police. Following his arrest on the charge, Birch alleges that his finger prints and measurements were taken and that he was forced to ride in a patrol wagon handcuffed to another prisoner. On the ground that he had not been proven guilty of any charge he will sue for damages for alleged indignities.

BABY'S OWN TABLETS

Baby's Own Tablets are the best medicine a mother can give her baby. They act as a gentle laxative, soothe the stomach, break up colds and make teething easy. Concerning them Mrs. Apphose Landry, Upper Canada, N. B., says: "Baby's Own Tablets were of great benefit to my little boy, and I would advise all mothers with sickly children to give them a trial." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

EXPRESS REGRET AT AMENDMENTS

Ontario Alliance Keenly Disappointed in Liquor Law Changes.

DON'T GO FAR ENOUGH

But They Are All Right as Far as They Go, Said Executive.

Hon. W. J. Hanna's proposed restrictions of the liquor traffic are disappointing to the executive committee of the Ontario Branch of the Dominion Alliance, which held a meeting yesterday. A resolution was passed after a lengthy discussion expressing regret at the meagreness of the amendments to the law. It follows:

"That in view of the declaration of the government of a desire to promote the temperance cause, and to further restrict the liquor traffic, and the crying evils connected with that traffic demanding legislative remedies, this meeting expresses its disappointment and regret at the meagreness of the license law amendments proposed by Hon. W. J. Hanna in the legislature Wednesday evening, which, while of a desirable character, utterly fail to meet the necessities of the case, and the public demand for effective and progressive legislation.

The main discussion centred round the advisability of inaugurating campaigns for the carrying of the Canada Temperance Act in different counties throughout the province. The whole question was thoroughly discussed.

Finally by a unanimous vote, it was decided that:

"Inasmuch as our friends in some of the counties of the province are considering the advisability of bringing into force the second part of the Canada Temperance Act in their respective counties, it is therefore desirable that there should be prepared a statement containing full and accurate information as to the provisions of the said act, and as to the relation of the Liquor License Act of the province to the same, also that our friends be recommended to consider carefully the relative merits of the two acts in their application to local conditions."

Student Campaigners.

It was decided that two teams of student campaigners should be engaged for work in New Ontario during the coming summer. The men composing these teams will be:

Lloyd Smith, B.A., Victoria University; B. H. Smiley, B.A., Knox College; Rev. Lyman Cotton, B.A., Wycliffe College; Wesley Spencer, McMaster University; and A. H. Walker, B.A., of Wycliffe College. The first work of the students will be to arrange for conventions of temperance workers in the Districts of Algoma, Sudbury and Parry Sound.

Resolutions were made in regard to the work of the alliance staff by which Rev. William Kettlewell became assistant secretary and Rev. John Muir, M.A., as field secretary.

It was decided to change the form of The Pioneer, the official organ, to an eight-page four column paper, and to issue two handbooks, one relating to campaign work and the other to law enforcement. The legal forms for use in connection with the option contests will be supplied by the alliance to workers throughout the province. Members were present from all parts of the province, amongst those in attendance were: Rev. Canon R. W. E. Greene, provincial president; Fred Macdonald, Toronto; O. H. Garner, Welland; Rev. Dr. J. G. Shawyer, Rev. D. C. McGregor, Rev. Dr. T. Albert Moore, Rev. E. D. Silcox, Rev. S. E. Grigg, Rev. Dr. J. H. Clark, Rev. F. S. Spence, Toronto; Joseph Gibson, George, Alex. Mills, Toronto; George H. Lees, Hamilton; Rev. J. B. Kennedy, Toronto; W. H. Orr, Toronto; J. A. Austin, J. S. Robertson, W. F. Lawrence, Toronto; T. L. Gibson, Rev. Dr. R. H. Abraham, Rev. William Kettlewell, Rev. R. H. Hamilton, Rev. S. Vance, Mrs. Owen Hitchcock, Rev. Dr. W. S. MacTavish, William Hamilton, Rev. Dr. L. C. Pedman, Rev. Dr. F. Armstrong, W. E. Roney, K.C., D. A. McDermid, F. W. Duggan, N. F. Caswell, Rev. A. P. Brice, Henry Sutherland, A. W. Martin, M.A., H. H. Shaver, Cooksville; Rev. John Muir, J. C. Miller, Orillia; Rev. Thomas Cowan, Rev. Canon W. L. Brantford; J. M. Walton, Aurora; R. H. Spence, Toronto.

A Residence Suburb Solely for Exclusive Homes

THE Humber Valley Surveys at the Western boundary of the city extend north and south along the banks of the Humber River from the lake front to the Dundas Road.

These are the largest exclusive residence parks ever developed as a unit in Canada, containing hundreds of acres of delightful homesite property, encompassed by picturesque ravines, which will be preserved in their natural state—an appropriate setting for distinctive homes.

By securing plans and particulars from us TODAY, a more intelligent inspection of the property may be made during the week-end, or, if more satisfactory to you, we shall be pleased to motor you over the surveys.

We have prepared a handsome book of views, giving detailed information, which may be had on application by those who are interested.

Commissioner Forman showed to the committee on works a map of the proposed diagonal streets in the territory beyond the city limits. He stated that a small appropriation will be required to provide copies of the map for use in making subdivisions conform to it. The committee decided to recommend the amount to be placed in the estimates, so that the diagonal streets will be immediately established.

The much discussed new location of the carter's stand on Richmond and Church streets is to be on Adelaide street, east of Church street.

Ald. McBride put thru a resolution that steam railroads be assessed for all street area they occupy.

Commissioner Harris is empowered to get options on sites for incinerators.

Teraulay street extension from College to Davenport road, at a proportionate cost of 52 per cent, to the city and 48 per cent, to the property owners, was approved. The street is to be 88 feet wide, and the extension is to cost \$1,250,000.
