James J. Dolan presided at the meeting of District No. 2, Junior O.R. F.U. when the schedule for the season was drawn up. Jack Edmonds and W. J. Russell represented the Dons, R. G. Ross the Balmy Beach Club, Johnny Wightman and Tommy Roadhouse looked after Kew Beach's interests, and W. H. Woolnowsh and Mr. Fidler were delegates for nough and Mr. Fidler were delegates for payis. the Broadview Y.M.C.A. It took considerable time to draft the schedule, as each team was looking for the best of a good start. Kews were very anxious to get first crack at their old rivals from Baimy Beach, while the Broadviews were equally as anxious to take on the Balmy Beachers. The Dons-and Balmy will have Scarboro Beach field for games and were agreeable to any arrangement that would prevent a clash in home games. After considerable parleying the following schedule was agreeable to all the clubs:

Sept. 27—Broadview Y.M.C.A. at Balmy Beach, Don Rowing Club at Kew Beach.

Oct. 4—Don Rowing Club at Kew Beach.

Oct. 4—Don Rowing Club at Balmy Beach, Kew Beach at Broadview Y. M.C.A.

C.A.

Both teams are requested to be ready to commence the game when play is called at 10 a.m. A splendid wicket has been prepared by the St. Albans C.C.. on whose ground, by its kind permission, the match will be played. On account of the evenly matched teams and the keen, but friendly rivalry, existing between the eastern and western divisions of the C. & M. League, this game will be a most interesting one to watch, and will doubtless be witnessed by a large crowd. The St. Albans grounds are on Christie street, a little north of Baven-port road, and are very easily reached by taking the Bathurst street car to the terminus and walking up Christie street a short distance to the cricket field, or by the Avenue road car to St. Oct. 11—Broadview Y.M.C.A. at Don Rowing Club, Balmy Beach at Kew Beach. Under Scrutiny of Health Inspector.

GUELPH. Sept. 12.—(Special.)—
Sanitary Inspector Merewether, who for the last week has been engaged in making a thoro inspection of boarding-houses kept by foreigners in the city, will have an exhaustive report regarding conditions as he found them to present to the board of health at their next meeting. The conditions existing in a number of houses he found to be anything but sanitary. In some cases the houses are very much overcrowded and the surroundings far from being clean.

The inspector will advise in his report that all boarding-houses kept by the foreign element be licensed, and it is likely that a bylaw to that effect will be prepared and presented to the city council.

There scems to be some doubt in the minds of the leaders of the movement as to whether they are going to be able to get a sufficient number of workers out who will undertake to get the petition signed with the required number in order to be able to put on the campaign. The fact of the city's having such a large foreign population gives rise to the doubt as to whether or not the campaign would be successful.
