

## YORK COUNTY AND SUBURBS

## OFFICERS CHOSEN FOR HOME GUARD NEW BEACH LINE ENLIVEN MARKET

Capt. W. J. Sheppard to Command West Toronto Company.

Owners See Prospects of Renewed Interest—Business Optimism is Prevalent.

The commissioned officers appointed by Capt. Stewart for the West Toronto Co., of the Home Guard are: Captain, W. J. Sheppard; 1st lieutenant, P. DuYin; 2nd lieutenant, R. Patterson. The non-coms. will be appointed later, and in the meantime the provisional officers will qualify by attending special classes. The Annette street school yard is to be supplied with adequate lighting facilities for outside drill, but until this is completed the basement of the school will be used. Over 50 men have been enlisted to date.

**Annual Meeting.**  
The officers and executive of St. John's Boys' Club met last night in the parish house for the purpose of reorganizing for the fall and winter season. It is intended to make more of a social and special feature of the physical training. Victoria Lodge A.P. and A.M. held their regular monthly meeting at the Annette street Masonic Temple last night. A large number of the brethren were present.

## MOUNT DENNIS BUILDERS HAVE PLENTY OF WORK Small Army of Men Busy With Kodak Company's Fine New Factory.

The demand for building lots for houses and stores in Mount Dennis continues brisk. Messrs. T. Goddard & Son report the sale this week of eighty feet of land on the Weston road, on a cash basis, and last week of 88 feet of inside property. Conditions in Mount Dennis, it is said, are not materially affected by the war, building which showed some decrease on the outbreak of hostilities, maintaining now a normal level. Some 700 carpenters and concrete workers are employed in the erection of the reinforced concrete walls and floors of the big new factory on Eglington avenue. These men are working night and day, and splendid progress is reported.

**Church Held Up.**  
The Anglican Church of the Good Shepherd, the walls of which are now up to roof level, is standing still at the present time for want of a loan of \$200, which sum would pay for the roof and complete all the work of the church. The church, so far as the building has advanced, together with the land on which it stands, is free from all encumbrances, and it is stated that the land alone could be easily sold for \$500. The church is situated on the Weston road, Rev. Gore M. Barrow being pastor.

**To Build New School.**  
The trustees of the Mount Dennis School Section, No. 28, of York Township, have been authorized by the ratepayers to erect a school on the corner of Silverthorne, side. Until such time as funds can be raised and a new school built, the trustees are renting two rooms in the Methodist Church to care for the children of this rapidly-growing district.

## BEETON CITIZENS PLAN GRAND PATRIOTIC RALLY

A meeting will be held in Beeton Town Hall on Wednesday evening, Oct. 21, for the purpose of organizing a patriotic rally for Beeton and the surrounding district. During the evening R. Hodgson, of Toronto University, will give a lecture on "Causes and Course of the War." All residents in Beeton and neighborhood are invited to attend. A concert program has been arranged, and the Beeton Citizens' Band will render special music.

## SCARBORO TOWNSHIP.

A meeting of the Scarboro Plowman's Association will be held on Thursday night in the Heather Hall, Agincourt, to arrange for the East York plowing match.

## Be a Pantry Pirate Once More

By Using Stuart's Dyspepsia Tablets You Can Renew the Appetite of Your Boyhood Days.

Some of you suffering men and women would just as soon think of eating pig, dog and cat food as you would of eating with a pair of Bengal tigers. You're afraid of your stomach. If you will only try a Stuart's Dyspepsia Tablet, after each meal and at bed time you will very soon overcome this fear of food.

"Gee! It's great to eat like a boy again!"

These little Stuart's Dyspepsia Tablets go into the stomach just like food. They mix their new and fresh digestive qualities with your worn-out juices in stomach and intestines and thus enrich your body, stop gas, irritation and "after eating distress." The act of taking a Stuart's Dyspepsia Tablet is a pleasing one. You eat it as you would "after eating mint" or a "bonbon." It at once mixes with your food and digests that food. It relieves the strain of that meal, of course, and thus you experience a joyful feeling from your food.

Soon your appetite will return. You will find yourself eating the foods you would dearly love to eat, but are afraid to eat; and in a very short time your old digestive system will be returned to you, for our bodies very quickly readjust themselves to normal conditions when we stop the trouble that makes them diseased.

Go to your druggist, no matter where you live, and buy a box of Stuart's Dyspepsia Tablets. Any one wishing a free trial of these tablets, please address F. A. Stuart Co., 180 Stuart Building, Marshall, Mich., and a small sample package will be mailed free.

The laying of the new car line at Balm Beach to replace the stub line has caused renewed interest in the real estate holdings. From McLean avenue east to Chester and Blantyre avenues vacant land owners are looking for better things. Those who bought with speculation in view have had to wait considerable time for results, but their market should soon open up. This district has been neglected for a long time and the residents have been forced to make many concessions to keep up to the standard. It is a very fine residential district and the new car line will fill a long felt want. There is lots of vacant land to be had and with the proper kind of house it should sell very well and rapidly. Real estate firms throughout the district are receiving numerous enquiries every day for property and owners are putting their holdings on the market at very reasonable prices. The car service has been the only drawback to this neighborhood and with this item solved, real estate men look for a big field between now and spring there.

## WANT WATER LOTS EXPROPRIATED NOW

Enthusiastic Meeting of Beaches Business Men's Association.

Active interest in the aldermanic election in Ward One was evinced at last night's enthusiastic meeting of the Beaches Business Men's Association in the Masonic Temple. The association decided in favor of the nomination of a candidate representative of the eastern portion of the big ward, and will unite in holding a public meeting in conjunction with the East End Ratepayers' Association, at Kippendavie avenue school on Thursday evening, October 29th. The meeting will give prominence to the aldermanic situation and in addition take up other local issues.

**Beach Water Lots.**  
Secretary W. A. Elliott moved that the representatives of Ward One in the city council be requested to urge upon the council the prompt action with respect to the expropriation of the water lots on the beach. He declared that if the citizens of Toronto desired to preserve a beach in the east end, and the completion of the harbor board's plan there was no time to be lost.

Mr. Elliott was authorized to bring the matter to the early attention of the local aldermen.

The railway committee reported excellent progress with the extension of the street railway double track on the McEwen avenue to the eastern city limits. Mr. Watt said that he had positive assurances that the cars would be run to the track as the line immediately extended.

## BROTHERHOOD PLANNING ORGANIZATION CAMPAIGN

Rev. J. A. Stewart, pastor of Kew Beach Presbyterian Church, is working overtime in preparation for the organization campaign to be held during the first two weeks in November by the Canadian Council of the Brotherhood of Andrew and Philip, of which Rev. Mr. Stewart is president. One of the features of the meetings will be addressed by Rev. Dr. Howard Taylor of Philadelphia, international general secretary of the brotherhood.

## RED CROSS LEAGUE CONCERT AT OAKWOOD

A quartet from the Highlanders' Band will assist at the concert in the Oakwood Assembly Hall, 81 St. Clair avenue west, on Saturday evening, Oct. 24th, under the auspices of the McNab Red Cross League. Among those who will take part in the program are Pipe Major Frank MacRae, of the Munro, Scottish dancers: Henry Milne, and the choir of the St. Andrew's choir, and Dr. W. Gutzert, who will be the accompanist.

## HELD FIRST DRILL

The newly formed Wychwood home guards held their first drill last evening on the Hillcrest school grounds. About 50 members were present, Capt. Stewart being the instructor.

## EAST YORK POULTRY SHOW ENTRIES CLOSE TODAY.

Entries close today for the seventh annual exhibition of the East York Poultry Association. The show will be held in Aberdeen Rink, East York, on Oct. 29, 30 and 31.

## DRAMA OF ROMAN LIFE PRESENTED BY AMATEURS

Canadian Dramatic Club Gave Splendid Performance of "Pygmalion and Galatea."

The Canadian Dramatic Club gave a splendid performance of W. S. Gilbert's "Pygmalion and Galatea" at Foresters' Hall last night, before a very large audience.

Taking into consideration the fact of the limited stage accommodation, and the entire lack of scenery, the production left nothing to be desired. All the characters were excellently portrayed by a cast of exceptionally clever players. As Galatea Miss Frances Cleman was splendid. Tall and handsome, she made an exact reproduction of the character intended by the author. Mrs. Trevelyan, under whose direction the play was produced, made a particularly fine Cynisca, and J. F. Simpson was good as the sculptor, Pygmalion.

Between the acts Mr. and Mrs. Mosher gave an exhibition of various dances with grace and skill.

## AMBUSSOPIC CAN GET WELL

## By Taking "Fruit-a-tives," Says Capt. Swan.

Life is very miserable to those who suffer with indigestion, dyspepsia, sour stomach and biliousness. This letter from Capt. Swan (one of the best-known skippers on the great lakes), tells how to get quick relief from stomach trouble.

"PORT BURWELL, Ont., May 3, 1912.—A man has a poor chance of living and enjoying life when he cannot eat. That was what was wrong with me. Loss of appetite and indigestion were brought on by constipation. I have had trouble with these diseases for years. I lost a great deal of flesh and suffered constantly. For the last couple of years I have taken 'Fruit-a-tives' and have been so pleased with the results that I have recommended them on many occasions to friends and acquaintances. I am sure that 'Fruit-a-tives' have helped me greatly. By following the diet rules and taking 'Fruit-a-tives' according to directions, any person with dyspepsia will get benefit."

"H. SWAN."  
'Fruit-a-tives' are sold by all dealers at 50c a box, 6 for \$2.50, or trial size 25c, urgent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.

## PLATO ADVOCATED SUPERVISED PLAY

Nothing New Under the Sun, Says Dr. James J. Walsh.

MADE THREE SPEECHES

Lecturer From New York Spent Busy Day—Spoke in Columbus Hall.

Dr. James J. Walsh of New York was the guest of Toronto yesterday, and delivered during his stay three lectures on different subjects. The first was given at Newman Hall, where the speaker was introduced by the rector, Rev. Thomas F. Burke. The subject treated was "Mythology of the Past."

The second lecture was given at the University of Toronto, where the speaker was introduced by the rector, Rev. Thomas F. Burke. The subject treated was "The Mythology of the Future."

Even the brain as the organ of thought is subject to decay. Former ages have thought that thinking was carried on through the medium of diaphragm, heart or liver. Our present day theory of the thinking is not confirmed by investigation. It may be evidenced some time that thought has its realm in some mysterious part of the brain, and that the habituation of the mind itself is something that cannot be satisfactorily placed.

At St. Joseph's College, where Dr. Walsh gave his second address, he that ever seemed to be a student of the history of the human race, and that the habituation of the mind itself is something that cannot be satisfactorily placed.

At St. Joseph's College, where Dr. Walsh gave his second address, he that ever seemed to be a student of the history of the human race, and that the habituation of the mind itself is something that cannot be satisfactorily placed.

## Cut This Out

Famous Recipe For Catarrhal Deafness and Head Noises.

If you know of someone who is troubled with head noises, or catarrhal deafness, cut out this formula and hand to them, and you will perhaps have been the means of saving some poor sufferer from total deafness. Investigation has proven that catarrhal deafness, head noises, etc., were usually directly caused by constitutional disease, and that salve effect a permanent cure. This being so, much time and money has been spent in vain in perfecting a pure, gentle, yet effective tonic that would quickly dissipate all traces of catarrhal poison from the system. The effective prescription which was eventually formulated, and which has aroused the belief that catarrhal deafness will soon be extinct, is given below in understandable form, so that anyone can treat themselves in their own home at little expense.

Secure from any good druggist in Toronto 1 oz. of Parnett (Double Strength), and 1 oz. of Epsom salt. Take this twice a day, and take it 1/4-pint of hot water and 1/2-teaspoon of sugar, stir until dissolved. Add one tablespoonful times a day.

The first dose should begin to relieve the distressing head noises, headache, dizziness, cloudy vision, etc., while the hearing rapidly returns as the system is invigorated by the tonic action of the dropping in. Loss of smell and mucus coming from the throat are other symptoms that show the presence of catarrhal poison, and which are overcome by this treatment. Ninety per cent. of all ear troubles are said to be directly caused by catarrh; therefore, there must be many people who have hearing can be restored by this simple home treatment. Every person who is troubled with head noises, catarrhal deafness or catarrh in any form, should give this prescription a trial.

far in advance of us in this respect. Stratford-on-Avon was instanced as an example of the methods of doing the best for dependents under the 18th century. Houses built in that period, he recalled, are in existence and are being maintained today, where old couples live out a happy old age. "Today we put our old men in one home and the old wife in another; we take the children and put them in orphan asylums, but in those days orphan asylums were in-

known. The thirty thousand guilds of that period took care of all who needed assistance and did it in a humane way.

The greatest problem of our time is the big city and how to treat the individual and not the mass. No man or nation can solve problems by the exact road that others did; but by others and take the things done by our own times," declared Dr. Walsh.

## WHEREVER THE ENGLISH LANGUAGE IS SPOKEN

## LARNED'S

## HISTORY OF THE WORLD

## NOW BEING DISTRIBUTED BY

## THE TORONTO WORLD

## FINDS PRAISE AND WELCOME

## ENDORSED BY THE PRESS OF THE WHOLE WORLD!

## Read what brainy literary editors say, from Maine to California, and from Montreal, Canada, to Melbourne, Australia. Taken at random from hundreds of flattering reviews.

## Buffalo Express

"The work is well and clearly written and conveniently arranged to give the general reader a rapid and accurate knowledge of the world and the events which have shaped it. It is not given to every one to be able to follow the history of mankind through many large and intricate details. There are, however, some general knowledge of the history of the world should be widely disseminated. Mr. Larned's labors in this direction are worthy of extensive appreciation."

## The Philadelphia Press

"The work is well and clearly written and conveniently arranged to give the general reader a rapid and accurate knowledge of the world and the events which have shaped it. It is not given to every one to be able to follow the history of mankind through many large and intricate details. There are, however, some general knowledge of the history of the world should be widely disseminated. Mr. Larned's labors in this direction are worthy of extensive appreciation."

## The Evening Wisconsin

"Despite the large number of historical works which crowd the shelves of libraries there will always be found sufficient space for one more, especially when it bears the name of such a well-known writer as J. N. Larned upon its title page. There are histories and histories, and among them this latest work of J. N. Larned deserves to rank high because of its breadth of scope combined with a brevity of handling which enables its readers to see, as in a panorama, a clear picture of the seventy centuries of mankind."

## The Schenectady Gazette

"Perhaps there is not another work of the kind in the world which so readily commends itself to the busy man who wishes a reference book of history that tells him the particular thing he wants to hunt through without his having to hunt through a large volume to find it. Mr. Larned's History of the World, it is as fascinating as the work written by the novelist's pen, as reliable as any historical record can be made, and as complete and ready of reference as the busiest man can ask for."

## The Register, Adelaide, Australia

"The work has been remarkably well done—the seemingly impossible task executed with wonderful success. As a book for ready reference, the value of the work is enhanced by marginal dates and notes. A specially interesting feature is the preliminary sketch of the famous men of the time which precedes each epoch, while the really excellent index adds still further to the handiness of the book."

## Atlanta Georgian

"The name of Larned placed upon the title page of a historical work is an eloquent guarantee of excellence. But the historian, Larned, has surpassed all previous achievements of brain and industry in a few volumes of 7,000 years of human events. It is a masterpiece of parallel in history. The vast bulk of matter which has been arranged with illuminating discrimination, and by the ingenious plan as new, an unusual appreciation of the influence of individuals upon history is forced upon the reader."

## Chicago Record-Herald

"The belief that history is a science and that the life of nations follows certain laws underlies the work of J. N. Larned. The application of scientific principles to the study of history is commendable. He has produced a work that will be read with profit and interest."

## The San Francisco Chronicle

"J. N. Larned has accomplished the difficult feat of relating the life of mankind by the application of the principle of discriminating selection and luminous arrangement of the more significant incidents and larger facts of the history of the world."

## This paper is one of a great newspaper syndicate distributing Larned's History at less than original cost to produce. Our readers have the exclusive privilege in this city.

## A \$12.00 Set, \$1.98

## 5 Volumes, for

By the same author as Larned's Famous "History for Ready Reference."

Nearly 2000 Pages 5000 Marginal Notes

Over 150 Beautiful Illustrations 10,000 Separate Page References in Index

After this distribution ends, your chance to own this great History, almost free, is gone forever!

## Readers should clip Coupon in Today's Paper

Next distribution at The World Office, 40 Richmond Street West, Toronto, and 15 Main Street East, Hamilton, on Saturday, Oct. 24.

## FREE

We will give the largest, clearest, and most accurate European War Maps ever published; size, 3 feet by 4 feet. Printed in four vivid colors, showing all cities, towns and villages. Wonderfully illustrated. Giving all vital statistics of population, areas, navies, armies, railroads, telegraphs, \$1.50. As long as they last we will give one of these maps absolutely free with every set of most unparalleled educational bargain ever offered.

## INQUEST AT COOKSVILLE INTO RADIAL ACCIDENT

The inquest into the death of Thomas Gilmore of Dixie, who was run down by a York Radial car at the switch near the Long Branch ranges on Saturday, was concluded at Cooksville yesterday. After hearing the evidence of the motorman and a few other witnesses the jury returned a verdict of accidental death.

## EAST END ASSOCIATIONS ARRANGE DRILL MEETINGS

Drills were held last night by the military training corps of the North Riverdale Ratepayers' Association at Franksland, Pape and Withrow Avenue Schools. The Riverdale Business Men's Association Corps will drill on Thursday night at Leslie and Morse Street Schools and on Friday at Bolton and Queen Alexandra Schools.
