British Companies Warned

Against Taking Risks

Against Capture.

that some time ago the board of trade

issued an announcement warning in-surance companies against the busi-

ness of insuring cargoes in neutral vessels, from capture. The announce-

ment was as follows:
"It has been brought to the notice

of the board of trade that British insurance companies have insured or reinsured goods shipped on neutral ves-sels against the risk of capture, or

insurance, against the risk of capture, or detention, by Great Britain, or her

allies, are prohibited by the law of

England, and they think it necessary

to warn insurance companies and un-derwriters against such business."
