Tried Everything but Did It No Good, One Box of Cuticura Ointment Took Pimples Away.

"About seven years ago pimples broke out ali over my face and neck. When they would lirst come out they would be big and red, then after a while they would turn white, and matter would come out. Sometimes they would itch so I could hardly sleep. I was ashamed to go down street my face looked so bad. I went to several doctors and got medicine, which did me no good, and bought ointment, salves and patent medicines, but none of them would cure my face and neck. A friend advised me to try Cuticura Ointment. I got one box, and it took the pimples away before I had it all used up. I can say it is a wonderful remedy. Any sufferer who has pimples should use Cuticura Ointment if they want a sure cure. I never had any soap equal to Cuticura Soap." (Signed) Aylmer Mathers, Parkinill, Ont., Dec. 24, 1913.

Sores All Over Baby's Body

"When my beby boy was six months old, his body was completely covered with large sores that seemed to itch and burn, and cause terrible suffering. The eruption began in pimples which would open and run, making large sores. His heir came out and finger nails fell off, and the sores were over the entire body, causing little or no sleep for haby or myself. Great scabs would come off when I removed his shirt. We tried a great many remedies but nothing would help him, till a friend induced me to try Cuticura Soap and Ointment. I used the Cuticura Soap and Ointment. I used the Cuticura Soap and Ointment but a short time before I could see that he was improving, and in six weeks' time he was, entirely cured. He had suffered about rix weeks before we tried the Cuticura Soap and Ointment, although we had tried several other things and doctors too. I think the Cuticura Hethedles will do all that is claimed for them, and a great deal more." (Signed)

Huber-ty made such a profound impression by his exceptionally fine voice and acting while here that many requests were received by the orchestra management for his return in concert work in order that we might have a better opportunity to hear his magnificent voice. His program has as yet not been finally decided, but it is more than likely that he will be heard in some of the numbers that made the biggest "hit" in the opera. Mr. Welsman, who is this year adding new laurels with every concert, is producing a symentirely new to Toronto, the Fourth Symphony of Tschaikowsky.
