The matter will be further considered. Dr. Packenham, proposed that the board try the amalgamation of the art school with the technical high school, until May, 1906, assuming all assets comprised in equipment, valued at \$400, and liabilities, which do not exceed \$400. Should the board then desire to terminate the amalgamation it could do so. The committee approved, and it was sent on to the board. A motion that the board of educa-tion authorize Principal Embree to or-ganize a high school over the Don, in Queen Alexandra school, provided he can secure no less than 80 first-year pupils by Jan. 4, 1906, was carried.
