Mr. Eastwood of Etobicoke introduced a motion instructing the Legislative Committee to report a petition to the Legislature at the present session, praying that assessors be allowed to see all plans in registry offices, without the payment of any fee, in order to assist them in making their assessments. This was adopted.

Mr. Hill suggested that registrars be also instructed to keep a list of all land transfers, also for the convenigation of the Municipal Act, which is overguled by the Toronto Junction Debt Consolidation Act of last year.

\$2500 FOR HORSE-BREUDERS.

The Finance Committee reported that the by-law making grants to the York roads had mysteriously disappeared. The committee also found that this by-law was in the habit of disappearing altogether too regularly for the disappearance to be always accidental. The auditors were instructed to go on with their audit, taking the grants made at the January session as a basis. The report was adopted.

The Tollroads Bebase

The Tollroads Bebase
The produced by a by-law was merely a re-enactment of the by-law was merely a re-enactment of the by-law was introduced by Reeve Hill of York last year, which provided for the abolition of tollgates and the maintenance of the roads by the municipalities in Sum Wanted for Prizes for the Canadian Horse Show.

The deputation from the Canadian Horse Breeders' Association, which is to wait upon the Ontario Government to-day, to ask for a grant for the Canadian Horse Show, to be held in the new Drill Shed, at Easter, will include a number of well-known and influential gentlemen. Among others, the following will likely be present: R. Davies, president; Dr. A. Smith, vice-president; Henry Wade, secretary; Sir Frank Smith, Senator Ferguson, J. Ross Robertson, Capt. McMaster, H. Carshill, M. P., David McCrae, R. Beith, M.P.; N. Awrey, ex-M.L.A.; John Guardhouse, H. N. Crossley, Jos. Duggan, J. H. Allen, Dr. Leeming Carr, J. C. Boyd, William Heridrie, jr., James Cochrane, J. K. Macdonald, E. S. Cox, William Christie, D. Alexander. year, which provided for the abolition of tollgates and the maintenance of the roads by the municipalities in which they are situated. This was subsequently held to be illegal by the Lieut.-Governor-in-Council because it was made to apply to interests lying without the county. This objectionable clause was eliminated.

Mr. Hill, speaking in support of his proposition, pointed out that since the abandonment of tollroads by the various companies controlling such roads, the municipal roads, instead of being an asset, were becoming yearly a more serious liability. The roads had been purchased for \$72,500. All that had been paid for, but of late years the roads had ceased to give a revenue. In 1892, for instance, the receipts were only \$18,773, while the expenditures \$22,454. In 1893 the receipts were only \$18,773, while the expenditures advanced to \$29,652.

Mr. Hill, preventionable Carr, J. C. Boyd, William Hendrie, jr., James Cochrane, J. K. Macdonald, E. S. Cox, William Christie, D. Alexander. Lieut.-Gov. Kirkpatrick and the Provincial Minister of Agriculture are honorary members of the association. The C.H.B.A. will appear instead of the Agriculture and Arts Association. The Agriculture and Arts Association, which was abolished last month. A grant of between \$2000 and \$2500 will be asked, to be awarded in prizes sociation hopes that no further grants will be required after this year, as the profits from the coming Horse Show are expected to be sufficient to permit of the establishment of a prize fund for succeeding years.

It is understood that the Hunt Club will make a request for a separate grant for steeplechasers.

Sirs,—For five years I have been troubled with neuralgia and tried everything I could see or hear of. At last I was advised to try a bottle of Yellow Oil and refused, because I thought it was like all the rest—a failure. A half bottle was given me, however, and I found it helped me, and bought a bottle, which cured me. If it cost five dollars a bottle I would not be without it.
