AT THE SUMMER RESORTS

The Eastern Sandbar Is Now Called Simcoe Park, and It Will Become Popular.

NICE LOCALITY, EASY OF ACCESS

Many New Cottages Have Been Erected This Season—Improvements at Don Rowing Club.

Simcoe Park, better known as the Eastern Sandbar, is fast coming into the past as a summer resort. During the past year, sixteen new cottages have been built, and there are plans prepared for several more. It is easy of access by way of Cherry-street bridge, from which an excellent roadway runs to the eastern extremity. The beach is excellently adapted for bathing, and there are already several bathing houses on the ground. This is an ideal spot at which to spend the summer months.

E. Beggs, the veteran builder of island residences, who has built over one hundred houses on the different islands, proposes to commence operations on several houses in the vicinity of Simcoe Park in a few weeks. The steam dredge is busily engaged in deepening the Eastern Gap and vicinity. The clubhouse of the Don Rowing Club has been greatly improved. A large addition has been built, and a balcony erected around the two sides facing the water. These will be reserved for ladies during the races. The club is in a flourishing condition, and is the best institution of its kind in the East End.

OUTING FOR YOUNG AND OLD.

Almost one hundred tired mothers, with little ones in their arms, or clinging to their skirts, were seen yesterday by the Fresh Air Fund from the "Ward" to Munro Park, in charge of Miss E. J. McKeigue. It is impossible to describe the change from the close yards and narrow streets, to the cool lake, and the banks of which they played. Only those who are engaged in mission work can appreciate the difference. After playing the finishing hour, the children were furnished, and Mrs. Dixon prepared tea. They came back to the city about 9 o'clock.

HANLAN'S POINT.

A large and enthusiastic audience witnessed the vaudeville performance at Hanlan's Point last evening. The feature of the show is Harry Simonetti, the tramp comedian, who certainly has some very funny and original sayings, and does some clever acrobatic work. Sherman and Morrissey, burlesque trapeze artists, do a very clever performance. The Hoovers, comedy jugglers, give a first-class exhibition of juggling, and are well received. Love and Love, the king of the haton, complete one of the best programs this season. There will be two performances daily. The balance of the week.

KIWIS BEACH.

The Lake Front Skiff and Sailing Association will henceforth be known as the Beach Sailing Association. This decision was reached at a meeting of the Sailing Committee. All arrangements have been made for Saturday's summer regatta, which will commence at 2:30 in the afternoon. The course will be a triangle, off the beach, the finishing buoy marked in front of the Kew Beach Club House. The time allowance for the handicap is: W. J. Wilson, scratch; A. J. B. Snow, 10 minutes; F. E. Mutton, 15 minutes; T. Foxwell, 20 minutes; R. J. Quigley, Jr., 25 minutes; K. S. Williams, 30 minutes; W. J. Lyons, 35 minutes; and C. N. Hattenby, 40 minutes. F. E. Mutton was elected chairman of the Sailing Committee, and Charles E. Edmonds and Sam Sherbourne were appointed official starters and judges. Last night all the boats were out, and several of them showed good speed. There was a large attendance of members last night at a social evening, held under the auspices of the Kew Beach Association, at the clubhouse. During the early evening, the lawn presented a lively appearance, with the young people playing tennis. Later, they retired to the clubhouse, where dancing and card playing were indulged in until nearly midnight. To-night the regular weekly hop of the club will take place. President Frank Tuttle, with Mrs. Mutton and daughter, is spending a few days at the Pan-American.

Mrs. Dr. Beaudry of Chicago is the guest of Mrs. Charles E. Edmonds. Miss John A. Knox leaves to-day for Buffalo to take in the Pan-American.

J. W. L. Anderson will have taken their residence at the Beach. Mrs. W. H. Cawser of Halifax is visiting. Mrs. Charles E. Edmonds on the Beach front.

Mr. Turner has returned from Vancouver, and taken up his residence on Beach-avenue.

Miss Knell of Berlin, Ont., is visiting Mrs. C. B. Dehority.

Miss Olga of San Francisco is the guest of Mrs. R. M. Simpson.

George White expects to move into his new residence on Waverley-road in a few days.
