from poison, and h is likely to lose his face and his legs are black and of bruked, as if from kicks. He vovered log. the remains with a sheet before going to Constable Cuddy's house. Wife Pleaded for Him.

The day before (Friday), about 5 ler. clock in the morning, he came to Constable Cuddy's house in his hare feet and only partially attited, and acted so strangely and erratically that the constable consulted with some there and they decided that he should he constable consulted with some there and they decided that he should he constable consulted with some there and they decided that he should he constable consulted with some an constable consulted with some an constable consulted that he should he constable consulted that he should he constable constable with his wife begged them an lowed to be at large. The mur-dierer 3 of English origin, and has been living in Prince Edward County and Tamyorth. Harlowe and Cloyne for a numbr of years. He was mar-ried to the murdered woman about eighteen years. No family is left. The Friday before he committed the deed he spent with his wife fishing, and he told Constable 'uddy that one of the fish he caught timed to a serpent and entered into his Mfe, and he had to slay her to kill the serpent. In bringing the murderer to Apanee, Con-table Cuddy says he gat he train, and then he wanted to jump some orce to compel him to sit still. **Hends Bible Constantly**. acted so strangely and erratically that

Reads Bible Constantly. H, 'asked the constants to allow him to being along a Bible and that he has been reading and quoting from ever since. So far as can be learned, he has no relatives in this country, and his wife's relatives are also unknown to the constable who brought the man to Napanee. It is quite clear that the unfortunate man is insane. He spoke freely to the constable about the awful deed, and thinks he only carried out the command of the Lord, who told him to slay the devil.

probably you'll be surprised to hear that they're going to be very "dog-dayish." To buy your straw hat now means you'll have a big assort means you'll have a big assortment from which to select and be prel-sed for that weather. Dineen Compan-have some splendid new wide brim sailors with low or medium crowns at from \$1 to \$5, also a complete stock of high-class Panamas at \$5 to \$50. They are Dunlap's and Heath's sole Considian agents Canadian agents.

SOME SCATTERED STORMS.

28.-(8 p.m.)-Local showers have occurred to-day in Manitoba and the Lake Superior district, but generally the weather in Canada has been fair and moderately warm. Minimum and maximum temperatures : New Westminster, 44-68; Calgary, 48-74; Qu'Appelle, 58-80; Winnipeg, 52-74; Port Arthur, 52-78; Parry Sound, 48-78; 'Toronto, 50-72; Ottawa, 50-76; Montreal, 52 -76; Quebec, 48-76; Hallfax, 56-76.

Lower Lakes and Georgian Bay\_ Moderate winds; fair and warmer,

Ottawa and Upper St. Lawrence-Moder-ate winds; fair and warmer. Lower St. Lawrence and Gult-Moder-ate variable winds; fair and moderately
