STRANGE LETTER TAKEN FROM PRISONER'S CELL

Terrace Receives Touching Letters From His Wife and Sister Written on Christmas.

BRAMPTON, Jan. 16.—A letter which fell into the hands of the crown authorities on Friday last will attract considerable attention in the trial of John O. Terrace, or Terrace, for the murder of William Curry.

The letter will be important, not because of what it contains, as there is little likelihood that any weight will be attached to it, but because of its origin. On Friday last the prisoner stated that he had a letter from some unknown individual addressed to James Curry, son of the murdered man. When asked by the sheriff if it had come into his possession he stated that Jas. Curry had dropped it on the floor of the courtroom on the day of the trial before the magistrate and that he, Terrace, had picked it up. When asked to hand it over he said he had given it to a friend. Investigation proved this to be untrue. A search of his cell and clothing was made by Constable Harvey and Jailer Wilson and the letter was found secreted in the mattress of his bed. It is dated Dec. 27, and purports to be from some person who professes to have particulars of the tragedy which have not been revealed, and stating that unless a large sum of money is paid by Mr. Curry to enable the writer to leave the country, the facts will be made known to the crown.

That the story is made out of whole cloth there can be no doubt. The letter is now in the possession of the crown attorney. The envelope is stamped, but there is no indication of a postmark apparent. Yesterday the prisoner received letters from his wife and sister. He was very much affected while reading the letters, the tears rolling down his cheeks.

To dress well is an economy. Cheap ready-made clothes are dear at half the price. But all ready-made clothes are not cheap.

Our clothes—

for instance—may cost a little more, but on account of the better quality of the material and making—the clothes wear better and last longer.

Length of wear is something, but not everything, to look for in buying clothes.

"Clothes that wear well and look well while they are worn" are what every man is looking for these days—and that's the kind which we will be pleased to show you whenever you care to call.

Prices reduced \$6 to \$8 a suit, and now selling at \$10 up.

JUNCTION WILL NEED LOTS OF MONEY THIS YEAR

School Accommodation is a Live Question—Local Agricultural Societies Meet.

TORONTO JUNCTION, Jan. 16.—"Where will the money come from," is a question that is bothering more than one municipal body in the Junction just at the present time. The council is in need of a lot of money for the Dundas-street pavement; for the laying of sidewalks. The increasing of the water supply is imperative, and about the only possible way, it is estimated, will cost in the neighborhood of \$50,000. Debiture interest will consume an enormous sum, and the ordinary running expenses, naturally rather large in a town with a population of 12,000.

The council is by no means the only body requiring money. The collegiate institute board has raised the salaries of all the teachers, which means quite an additional four rooms which, it is estimated, would cost at least \$16,000. From the present outlook the board will have to keep on considering, and they have about a chance of putting up with that addition as the council has of spending \$50,000 upon its water supply system. Last, but by no means least, come the public school board. Their wants are very urgent and if not complied with the school system throughout Toronto Junction, in a few more months at most, will be in a queer condition. At every meeting of the board the overcrowding is discussed, but as yet the solution to the problem is just as far away as ever. The board knows perfectly well what it wants, but how to attain it is a question beyond the capabilities of such an able body as the school board for years past has proven itself to be. There are four schools in the Junction, and of these schools contain in all 33 rooms. The attendance throughout last year was in the neighborhood of 1600, and scarcely one of the rooms was left vacant. The increase in the attendance over the year before was 400, and considering the same growth for this year, it is hardly an impossible task to stave the problem off any longer. Another school would do away with overcrowding for some years to come. Mr. Mead led the chorus. A hymn of praise was again practised. Meetings will be held every Thursday night.

The death of Mr. Samuel Walker of 95 Humboldt-avenue occurred this morning, at the good old age of 81 years. Deceased had been ill for a long time. He leaves a widow and growing family. The funeral will take place on Saturday at 2 o'clock, at Prospect Cemetery.

The Shamrock Lacrosse Club at home will be held in St. James' Hall to-morrow night.

Boys, if you want to make money, sell the World. Lots of money to come.

Boys by bright boys selling The Daily World every morning and The Sunday World Saturday evening. Call at The World's branch office, 22 Dundas-street for particulars.

WESTON. A large number of ladies were in attendance at the Women's Institute meeting Tuesday afternoon. A highly instructive and much appreciated paper was given by Mrs. Coon on "Books and Reading." The institute delegate gave an excellent paper on the "Guelph Convention." Miss Gladys Coon and Miss Grace Hamilton gave a vocal selection. In connection with the institute an "arts and crafts" evening will be held in February at "Happy Mount," the home of Mrs. T. Y. Savage.

BALMY BEACH. Beachers Will From Now on Revel in Hockey.

BALMY BEACH, Jan. 16.—The first home game of the Balmy Beach Hockey Club will be with the Toronto Rowing Club to-morrow (Friday) night. The local club are the R.C. are old rivals and a keen game is anticipated. The match will take place at the club's grounds at the foot of Beach-avenue. The home team will be picked from among these players: Stollery, Bradham, T. Brown, W. Brown, Chesham, Fielder, Gray, E. Gilling and Morrison. It is expected that a big crowd of the Beach enthusiasts will be on hand.

The minstrel show, held under the auspices of the "Beach Success Club," in the Masonic Temple to-night, was a great success, the attendance being large and the performance throughout an amusing and entertaining nature. Following the regular program an olio was given, which served to bring out

much latent talent. The show will be repeated again to-morrow (Saturday) and most of the show ought to assure an overflowing house.

The membership is now very large, 87 new ones having joined within the last year. Under the new Agricultural Act only 15 officers can be elected, where formerly 24 were required, ensuring among other things keen elections. The financial statement submitted showed a large gain during the year, a wonderful advance.

EAST TORONTO. East Toronto Lady is Chosen on Board of Directors.

EAST TORONTO, Jan. 16.—Harry Blaylock will be the chairman of the public school board this year, and judged by the record of last year the action of the board last night was a well-merited tribute to Mr. Blaylock.

The only two new members on the school board this year are George Gilding and A. M. Sinclair.

The chairman of the other committees are: Finance, W. J. Pooles; maintenance, A. M. Sinclair, and property, J. L. Ormerod.

Hereafter the board will meet on the first Monday of each month. Two new teachers, Miss Sproule and Miss Dodds, will teach in the Mary-street school, and later two others will be appointed.

At the annual meeting of the Toronto Horticultural Society, held in St. George's Hall last night, Mrs. Frank Abbott of East Toronto was chosen on the board of directors. The honor is a great one, as she has been having always taken a deep interest in matters pertaining to horticulture.

Two electric motors of sixty horsepower each drive the car, and these are furnished current by a 120 horsepower direct current generator, which in turn is driven by an eight-cylinder gas engine, which consumes gasoline. Not even the exhausted gases are wasted, for these are driven thru pipes to heat the car.

Church of Christ. The meetings at the Church of Christ, Cecil-street, are growing in interest daily. Rev. Lloyd Darlie is delighting his many hearers. His theme last night, "A Day of Good Tidings," was handled in a most inspiring manner. He has the rare faculty of presenting old themes in new dress. He will surely succeed in stirring the people at Cecil-street Church to a sense of Christian duty. It is quite noticeable that members of other churches in that part of the city are attending and becoming interested, for the movement is unceasing.
