LIBERALS OPEN FIRE OUT IN CENTRE YORK

Aylesworth Predicts Liberal-Gain in Ontario—East Toronto Council Are Firm.

RICHMOND HILL, Oct. 12.—(Special.)—Centre York Liberals held the first public meeting of the present campaign in this fearfully and wonderfully made riding, by a big gathering in the Masonic Hall here to-night, at which the candidate, Dr. P. D. McLean and Hon. A. B. Aylesworth were the chief speakers.

The chair was occupied by T. H. Trench, and many ladies graced the gathering with their presence. There was a big sprinkling of Wallace sympathizers present, and the gathering, while not enthusiastic, was respectful.

Dr. McLean spoke briefly, and claimed among other things that the Laurier Government had revolutionized the export storage business, resulting in great gain to the farming community and increasing the exports during the last twelve years \$50,000,000. The doctor was well received.

Hon. A. B. Aylesworth plunged into an exhaustive defence of the Trading Company, following which he declared that the Grand Trunk Pacific was a fitting climax to the life work of a Sir William Laurier which must be allowed to complete. "On their record on the great transcontinental line," he said, "the Laurier Government would make appreciable gains, and in Ontario we will make big gains, restoring to a more equitable basis the standing between the two parties in the province," said he.

WEST TORONTO.

Big Budget of Live News From the

WEST TORONTO, Oct. 12.—Six months in the central prison was the sentence handed out this morning by Police Magistrate Ellis to Donald McGee, the Lambton Golf Club bell boy, who was accused of stealing at the club house, and commenced by flogging his defenceless wife, who is just recovering from a critical illness. Not satisfied with what harm he had already done, McGee set out to burn his house down, but the police were notified in time and the house was taken to the lock-up. McGee was before Police Magistrate Ellis to-morrow morning.

Richard Nancarrow of Conduit-street, who was up on a charge of cutting sods from Humboldt-avenue, was allowed to go on suspended sentence.

The case against Raymond Baby, who is accused of assaulting Mrs. McTearney, was adjourned till Tuesday, Oct. 20.

A Hopeful Sign.

A hopeful sign of the times in West Toronto is the great amount of building that is going on at present. The two largest structures now in process of construction are the Carnegie Library, corner Ann and Dundas, and the new public school on Elizabeth-street. The former structure will cost \$15,000, and the latter \$20,000. G. H. Webb, solid brick dwelling, 117 Humboldt-avenue, \$2,000; H. H. Webb, solid brick dwelling, 60 East Dundas-street, \$6,000; A. McGill, solid brick dwelling, 135 Eglinton-street, \$2,800; Harry Smith, solid brick dwelling, 452 Pacific-avenue, \$3,500; Bentley and Bentley, solid brick dwelling, 117 Louis-street, \$2,200.

The funeral of Charles Law of the Dominion Detective Department, who died on Friday, took place this afternoon from the home of his brother, 191 Royce-avenue. Mr. Law was 45 years of age and unmarried.

Miss M. E. Cherry, principal of Western-avenue public school, is ill with congestion of the lungs.

Chairman Armstrong and members of the property committee of the city council made a tour of the city to-night in order to see where lights are needed most. The committee will make a report of their investigation at the council meeting next Monday evening.

Controller Hocken has stated that he will oppose the request of West Toronto to have a separate ward seven. "Here's what you get for instance, with over 60,000 population, and West Toronto with 12,000, the people asks for a million dollars and you should try to treat them fairly without loading the agreement down with a lot of conditions." Regarding the controller's statement, Mayor Baird said to-night: "I'll have to see Controller Hocken and have a talk with him. But the whole annexation question is now in the hands of a committee, and I think the committee should decide the matter on Monday."

WOODBIDGE.

Looks Now as Tho the Fair Will Out-strip All the Rest.

WOODBIDGE, Oct. 12.—Each recurring season but adds to the interest and interest with which a number of Torontonians and people for miles around this village look forward to the Woodbridge Fair. Last year the fair was a wonderful success, but this year everything points to the fact that it will surpass even its best previous record.

C. L. Wallace, the vigorous young secretary, who succeeds his uncle, the late T. P. Wallace, is enthusiastic over the outlook, as also are the directors. Big entries make a successful show, and with fine weather on Wednesday and Thursday (particularly Thursday), the old town will be over-run with visitors.

The directors have been fortunate in making special train arrangements as follows: On Thursday, Oct. 15, a special will leave the Union Station on the noon for Woodbridge and return, leaving Woodbridge at 5.30, 7.30 and 10.30 p.m., with ample accommodation.

across the south end of the north half of lot 17.

A. Willis wanted the council to instal two electric lights, one at foot of Blantyre Park and Queen-street, and one on the sidewalk between Scarborough and York. Mr. Willis made out a good case for the dwellers down there and Reeve Annie and Councillor Law will go down and look over the situation.

The financial statement for the month ending Sept. 30, as submitted by the Toronto Bank, is:

General account \$541.48
 Clergy Reserve fund 14.89

EAST TORONTO.

Town Council Won't Stand for Any Long Being Left Out.

EAST TORONTO, Oct. 12.—(Special.)—That every foot of the intervening country lying between the western limits of the Town of East Toronto and the eastern limits of the City of Toronto must be included in the annexation scheme was the unanimous decision of the town council to-night. Mayor McMillan presided, the first time since his return from the old land, and was warmly welcomed.

The whole matter as applied to York Township was thoroughly discussed, and while some minor differences cropped up the members made it clear that neither the Toronto Golf Club nor any other club or private individual should be exempted, and Solicitor Grant was instructed to prepare a memorial to this effect. It was pointed out that while there were no specific conditions governing the annexation of York Township in the agreement between the city and the town, there was a tacit understanding with the board of control to that effect.

The tax rate for the year as finally adopted was 20 mills on the dollar.

On Thursday evening, at 8 o'clock, the Willing Workers of St. Saviour's Church will hold their first meeting of the season since the holidays, and a special service will be held at 7.30 p.m. The meeting will be held in the vestry of the church.

AURORA.

North York Electors Listened to Good Speeches Last Night.

AURORA, Oct. 12.—(Special.)—A. Kelly Evans, W. H. Hoyle, M.L.A., T. H. Lennox, M.L.A., and J. M. Armstrong, the Conservative candidate in North York, held a rousing meeting in the Mechanics' Hall here to-night. All the speakers were well received and the greatest enthusiasm was manifested throughout. The candidate was cheered again and again and spoke well and effectively. His campaign will be carried on thru the riding, and prospects are cheering for the redemption of the riding.

WOODBIDGE FAIR.

The annual event of the Toronto public looks forward to will take place on Wednesday and Thursday, Oct. 14 and 15.

That there will be a bumper crowd there is no question of a doubt. Everything points to a big day at Woodbridge on Thursday. Oct. 15. The secretary informs us that the entries to date are far in excess of any previous year, especially in horses, poultry and live stock generally. One of the main features will be the hurdle contest in front of the grand stand. The other sports are also promised to be an interesting and profitable one. The best high jumpers in Canada are owned in that part of the country.

SOCIALISTS FOR PEACE.

Congress Adopt Resolution Regarding Balkan Trouble.

BRUSSELS, Oct. 12.—The annual Socialist Congress adopted a resolution yesterday in favor of the application of the peace program, outlined in August, 1907, by the same body at Stuttgart, in event of the present Balkan crisis resulting in war.

The International Socialist Congress at Stuttgart unanimously adopted a resolution against armament for competing nations, but adds to the effect that should war be threatened, the Socialists would bring all pressure to bear in an endeavor to hinder its outbreak. The resolution also states that they should use all efforts to bring the war to as speedy a conclusion as possible, utilizing the commercial and industrial crisis thus brought about to organize for the overthrow of capitalism.

SERVICES FOR MEN.

A series of noon-hour special services for men lasting from 12.30 to 1.30, were begun at St. James' Cathedral yesterday. These are being directed by Rev. E. J. Kennedy of Bournemouth, England. The subject of the service is "The Resurrection." This will be the first of a series of services, the first being "The Resurrection," Wednesday, "The Atonement," Thursday, "Sin," Friday, an application of the previous discussion to the needs of mankind.

Including Townships Scarborough, Markham, Vaughan, and Etobicoke, also the Villages of Markham, Richmond Hill, Woodbridge, Weston.

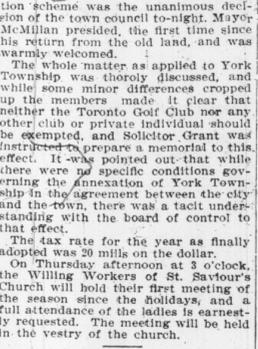

ELECTION MONDAY, 26 OCT.

Every Home Needs This Great Discovery!

ANCIENT Greece will always be remembered for the fine types of manhood supplied by the heroes of her battlefields and the athletes of her arenas, but still more will these heroes and athletes themselves be remembered for the custom they bequeathed to later ages of healing sore and injured places on their bodies by the external application of some secret balm or salve.

The Greek charioteers did not emerge from their mad races without some severe bruise or gaping wound; and to anoint each injury carefully with their favorite balm was an indispensable part of the day's program. Our own instinct tells us to rub a part that hurts, and in Zam-Buk the ideal substance to apply to an injured or diseased surface is found at last. It is a well-known fact that ordinary ointments, creams, salves, liniments, and embrocations have hitherto been imperfect in their action, and frequently contain quantities of rancid animal fat and harmful mineral products.

Zam-Buk is free from any of these serious objections. It is made exclusively from herbal extracts and essences. Just as nature prompts you to rub a place which hurts, so in Zam-Buk she provides you with a herbal balm with which to rub, or to apply to a cut, bruise, injury, or diseased surface. Zam-Buk is so refined, that, unlike other ointments, it can be absorbed by the skin. It is also highly antiseptic, kills disease germs and prevents blood-poisoning, suppuration, and festering. Apply Zam-Buk to a sore, a cut, a scratch, a poisoned wound, a patch of Eczema, and at once the healing process begins. It draws out the inflammation, ends pain and smarting, and heals. Zam-Buk is nothing less than "Applied Nature." The vegetable world was given as man's medicine chest. Zam-Buk (composed purely from valuable herbal essences) is Nature's cure for all skin diseases and injuries. The best test is a personal test. Send in for a free box and let Zam-Buk prove its own case.

Zam-Buk heals sores, eczema, skin eruptions, ulcers, ringworm, itch, barber's rash, blood poisoning, bad leg, salt rheum, abrasions, abscesses, cuts, burns, scalds, and all skin injuries and diseases. Off retail drug stores, at 50 cents, or from Zam-Buk Co., Toronto, for price, 3 boxes for \$1.25.

"CITIZEN" KELLY IS DEAD OPERATED SUNDAY-BUSES

Police Stopped Him and Damage Suits Followed—Agitation Helped Cars to Come.

Time works many changes and the sentiment as to whether or not street cars should run on Sunday isn't what it used to be.

But many Torontonians will recall with feelings of gratitude the part played by "Citizen" William Kelly in the exciting contest which was waged before Sunday cars were legalized, and of which old timers are reminded by the death yesterday of Mr. Kelly, the dealer yesterday morning. From Friday until 7.40 yesterday morning he had been unconscious, after an illness of a year.

He was about 70 years of age, and was born in Belfast, Ireland. He came to Toronto at 20 and engaged in the cattle trade, and was one of the first to open a butcher stall in St. Lawrence Market. He also years ago operated a limeline at King and Parliament-streets, and in the seventies purchased the Mansion House on the site of the Palmer House, the opening of which was attended by

of the other members of the Kelly family were heard, but after Inspector Archibald addressed the jury 45 minutes, the jury gave him the verdict.

Mr. Kelly leaves seven children: Hugh, the eldest son; Mrs. Felix Moore, Buffalo; Daniel Kelly, Buffalo; William Kelly, Toronto; Joseph Kelly, St. Catharines; and Pauline and Margaret Kelly of Toronto.

Henry W. Smith, secretary-treasurer of the Freyling Cork Company, Limited, who was connected with the firm for fifteen years and highly esteemed in business circles, died on Sunday morning at 6.20 following an operation for appendicitis.

Mr. Smith was taken ill suddenly on Tuesday evening, and was operated upon on Friday morning. He had been a sufferer for some years.

The members of the family, who survive, are the widow, Harry L. Smith of Denbigh-street, Port Stanley, Ontario; Fred J. Arthur, Maud, Herbert and William of Toronto.

Brother of the deceased, Richard Smith of Denbigh-street, Port Stanley, arrived after the end came. Mrs. Samuel Staughton of St. Walton-street is a sister. His mother also survives. Deceased was an Anglican and staunch Conservative.

The funeral will take place this afternoon from the family residence, 135 Langley-avenue, Riverdale, to St. John's Cemetery, Norway at 2 p.m.

At London—John A. Baskwill, ex-president of the local Horticultural Society.

SILVER WIRE SAVES LEG.

NEW YORK, Oct. 12.—After three delicate surgical operations, the first two of which failed to give satisfactory results, physicians in Harlem Hospital have succeeded in saving the right leg of Roswell Fororan, 11 years old, yesterday morning, by fastening broken bones together with a silver wire. This is the third formed in the institution within the last few months.

Mrs. Ellen Carter, 80 years, a domestic in the home of Hon. Wallace Neale, 25 Vincent-street, was found in her room unconscious. The room was filled with coal gas thru the failure to work of a patent device.

The first case to come up under the new hotel bill law, which provides that the man who registers at a hotel and then slips away, owing to a party, is guilty of fraud, was heard in police court yesterday morning, when John Chambers, arrested in Hamilton, was convicted of this offence with regard to a bill \$33 at the Daily House. The bill had since been paid and Chambers was remanded for sentence.
