

NINETEENTH ANNUAL REPORT  
OF  
THE MANAGERS OF  
THE PROTESTANT ORPHANS' HOME  
AND FEMALE AID SOCIETY.

---

In presenting their Nineteenth Annual Report, the Ladies managing the Orphans' Home and Female Aid Society, Toronto, desire to express their deep sense of gratitude to Almighty God for the many mercies vouchsafed to the inmates of the Institution during the past year; and especially for the general health enjoyed by them during that period.

Within the year ending this day there have been admitted twenty-nine children; twelve have been removed by friends; three have been apprenticed; three have been adopted and two have run away: leaving at the present time 95 children in the Institution, 60 boys and 35 girls.

The Managers again avail themselves of this opportunity to thank Dr. Ogden for his continued attention and unremitted kindness to the inmates of the Home.

They also gladly avail themselves of this opportunity to express their obligations to M. R. Vankoughnet, Esq., who for many years past has kindly acted as their solicitor, and who, the Managers thankfully learn, has recovered from his late very serious illness.

It is an annual privilege, of which the Managers gladly avail themselves, to express to Miss Wheelright, the Matron, to Miss Scott, the Governess and to the others, to whom the care of the children has been entrusted, their deep sense of the satisfactory manner in which they have discharged their arduous duties.

The members of the Loyal Orange Association to whom 'the Home' has been so greatly indebted in past years, have agreed, with their usual liberality, to give their donations towards the payment (\$1,000) of the land purchased in 1860 from W. W. Baldwin, Esq., and on which the sum of \$201 still remains due. This diversion from the ordinary means at the disposal of the ladies to meet the constantly occurring expenses of "the Home," of the liberal contributions of their kind friends, the Orangemen,
