# SPRING HOUSE FURNISHING SALES

Just at the time when everybody is expecting to pay regular prices for home needs this store comes to the front with moneysaving opportunities of an exceptional character. Always on the lookout for all good sorts of homefurnishings that the manufacturers are willing to part with under regular cost, our buyers are constantly providing good things at less than usual prices. Just at the present time we have a host of specially bought pieces among the new Spring stocks that are wearing prices that any thritty home provider would be glad to know of—Furniture, Floor-coverings, Draperies, etc., etc., all just as desirable and dependable as anything you could buy if you paid the regular values: And what is of greater importance to most folks, these things may be bought and paid for on our popular "Charge Account" plan, which removes the burden that a spot cash purchase so often imposes. Read carefully the many splendid savings told of below for Monday's selling, and remember we make no extra charge to the advertised prices for credit.

Exactly like the illustration; is splendidly made and generously filled with best oiltempered springs and covered with highest quality imitation leather, which will wear like iron; solid oak platform rocker, with carved claw feet; equal in appearance to rockers costing \$35.00 and \$40.00.

THE ADAMS FURNITURE COMPANY, LIMITED, CITY HALL SQUARE

# PITTSBURG'S MAYOR IS

Indignation of Citizens at Failure to Clean Up Red Light District.

PITTSBURG, April 2.-(Special.)ed by the grand jury and by council- of perjury in connecton with he graf manic confessions, and denunciation of cases.

ahe red light district, delayed action on traction problems and other local mat-

The meeting was addressed by several prominent local reformers, but no definite action was taken. The meeting suddenly veered from its discussion of the councilmanic cases when A. Weil, president of the Voters' League, made a general attack upon the mayor, which was received with applause. When he had finished, Mr. Weil, who was also chairman of the meeting, announced: "The mapor asks if you will hear a few remarks from him."

With several pleas for order by Chairman Well, Mayor Magee attempt. The indignation of four thousand citi- ed to explain his action on many local zens, including many women, over the political corruption now being unearth-who was recently acquitted of charges

civic-vice generally, were vehemently Mr. Weil declared ha when Lesite expressed to-nigha at a mass meeting in Exposition Hall. Mayor Wm. A. Magee, who sought to address the further explanations of traction mathematical further explanations of the stage. was on rial in criminal cour, he mayor resentment shown was at the chief the mayor and he was compeled to desist.

#### DO NOT EXPECT SERIOUS Graft Investigation at Pittsburg Involves Members of Select Councils. PITTSBURG, April 2 .- (Special.)-

The graft investigating grand jury to-day returned eight indictments. Seven were against former members of select councils from the north side, and one Operators Are Willing to Concede was against Morris Einstein, charging the soliciting of a \$15,000 bribe from Demand For Increased the Workingmen's Savings and Trust Co., to influence legislation in favor Wages.

PITTSBURG, April 2.-According to reliable authority the iron and steel Prof. Charles C. Ferrier of the Universite de France will lecture in French industry is proof against serious disturbance from the suspension of coal in the University Physics building on Monday evening, under the combined mining in the central competitive disauspices of the university and the Al- tricts, as it has accumulated some liance Francaise. His subject is "Theastock, depends largely upon non-union tre de Souffrance et de Pardon, Alexdistricts, and has the Connellsville that act on the sensitive plate much field to fall back on in a pinch. The like the X-rays or the radium emaandre Dumas fils et Henri Dataille."

Saturday afternoon. They landed at ation in fact.

Montreal, from whence they came via The Pittsbur The Pittsburg Coal Operators Asso- plates, when manipulating them. ciation, in its meeting with President

Mine Workers of America, is reported to-day to have stated flatly that it will resist any increase in the cost of mining, but will grant the miners the demanded 5.55 per cent, wage in-crease, and it is also reported that the operators have tentatively agreed to rurnish the new explosive in mines where it is required at the same cost as black powder, but will not agree to a run of mine basis. A formal joint wage scale has been called for Mon-

day.
Thruout the Pittsburg district reports are rapidly coming in of voluntary wage increases to non-union and union miners on the part of independent operators.

Human Body Gives Off Light.

Is the human body luminous? Commandant Darget of the French Academy of Sciences maintains that the human organism gives off radiations that act on the sensitive plate much A party of 110 immigrants arrived in report that tube production might be he Union Depot from England at 5.20 curtailed also probably has no foundand women who fog the photographic

#### PROSPEROUS I AMIGRANTS First C.P.R. Party Leaves for the Great West

MONTREAL, April 2 .- (Special.) -The first party for settlement in western Canada under Sir Thomas Shaugh-nessy's ready-made farm scheme passed thru Montreal Junction this morning in a special train, which will take them thru to Calgary from Halifax without change. There were 30 fami-200 individuals. They carried with them an immense amount of baggage and furniture, which will enable them to furnish the homes which the Cana-

dian Pacific has built for them on the irrigated block in Alberta. Taken all in all, this is probably th nost prosperous party of immigrants which has ever come across the ocea to Canada. They had with them from

\$50,000 to \$75,000 in cash. DIL D OF LOCKJAW

BRANTFORD, April 2 .- (Special.) --A sad death from lockjaw occurred at the hospital here this morning. Geo.

Bennett, 6-year-old son of William Bennett, was slightly injured by fails ing on the prong of a fork in a barn-yard on Good Friday last. The symptoms of the hardening of the muscles of the neck and jaw were noticed yesterday and a doctor was called. proved too late, however. The box doubtless was inoculated with the deadly tetanus germs from the ma-

## Millions Say So

When millions of people use for years a medicine it proves its merit. People who know CASCARETS' value buy over a million boxes a month. It's the biggest seller because it is the best bowel and liver medicine ever made. No matter what you're using, just try CASCARETS once-you'l

CASCARLTS, 10c a box for a week's treatment, all druggists. Biggest seller in the world. Missilon boxes a month.
