

It has also been thought advisable to form a small branch at Storey Settlement, in the parish of Blissfield, and although of very recent existence, it has already been enabled to contribute \$25 to the building fund of the Church at Doaktown.

The Burton branch of the Association has 27 members.

During the year the sum of \$60 has been granted towards the new organ in St. John's Church, Oromocto, and \$34 have been added to the parish endowment. Of this amount the sum of £5 (five pounds sterling) was an offering from a friend in England.

The Secretary of the St. John Girls' Branch reports that the members at present number 47. Fifteen meetings have been held, and in December a sale of work realized \$80. In June, 1889, the sum of \$25 was remitted to the Bishop Coadjutor, and in December a similar amount, completing the annual donation (\$50) for the maintenance of the work at Ludlow. On December 23rd a grant of \$25 was sent to Bishop Kingdon for the new church at Doaktown, and another of \$10 to Rev. Mr. Montgomery for the Church at Upper Kingsclear. In April, 1890, the sum of \$25 was sent to Bishop Kingdon, being part of the annual grant to Ludlow for this year. Total granted in the year, \$110. In December a box of useful and fancy articles was sent to Prince William for the children's Christmas Tree at that place.

In reviewing the work of the past year, we feel that the first object of the Association has in some measure been carried out; viz.: "To awaken and deepen interest in the work of the Church in the Diocese."
